For material changes, the awarded contract holder and/or subsequent assignee agrees to and understands the following principles:

i. **Contract holder reference**. If the contract holder undergoes a merger, acquisition, or partial assignment, in which case they still maintain the contract, then all transactions made under the existing contract number (including purchase orders) must reference the name of the awarded contract holder. The exception to this requirement is if the contract holder no longer holds the contract or if the company has been acquired by another company and undergone a name change. Notice of the authorized name change, to the existing contract, must be provided and approved by Region 4.

In instances where the contract holder has acquired a separate and distinct company, and it is necessary to designate those certain purchases facilitated by the non-contract holder, then this designation may be made if, and only if, the contract holder is also referenced on the transaction.

ii. **Maintenance of records**. Both the awarded contract holder and subsequent assignee agree to remain responsible for maintaining all auditable records, including documents kept in the ordinary course of business and sales invoices, related to OMNIA Partners, Public Sector and/or contract number pursuant to the statutory requirements identified in the vendor contract.

iii. **Payments**. Both the awarded contract holder and subsequent assignee agree that all payments made by participating entities must be made directly to the contract holder, unless otherwise approved by Region 4. Accordingly, both parties acknowledge that in instances where it is necessary to designate the purchases facilitated by assignee, that the contract holder must also be referenced on the purchase order.

iv. **Handling of Proprietary and/or Confidential Information**. In accord with the terms of the contract, both awarded vendor and assignee agree that at all times it will hold in strict confidence and not disclose to any third party Confidential and/or Proprietary information of Region 4, except as approved in writing by Region 4, and will use the Confidential Information for no purpose other than providing services under the contract. Both awarded vendor and assignee shall only permit access to Confidential Information to those of its employees or authorized representatives having a need to know and who have signed confidentiality agreements or are otherwise bound by confidentiality obligations at least as restrictive as those contained herein.

This document is to be construed in strict accordance with the terms and conditions outlined in the Region 4/vendor Master Agreement referenced herein. Both awarded vendor and assignee agree to uphold the vendor obligations set forth in the vendor agreement. This Agreement will become effective when signed by all parties.

RE: Price Update for R230301 - Educational School Supplies, Instructional Solutions, and Related Products

Dear Region 4 ESC,

We are submitting an updated price list as part of our annual price update. As Lakeshore issues new catalogs, prices are updated each year, with new products offered.

As the direct manufacturer of Lakeshore products, we take into consideration a variety of factors on an annual basis to determine any increases/decreases in our catalog prices.

Because we develop, manufacturer, deliver, and market our own products, our price increases are based on the increases in raw material cost, transportation, and other elements of the supply chain.

The price increase does not reflect the full extent of increasing cost faced by Lakeshore Learning Materials.

Should there be any price decreases or other reductions to our prices, this savings will be reflected in updated pricing.

The price increases are reflected in the release of our new 2025 catalogs.

All current quotes will remain valid for a period of 90 days.

If you have any questions, please feel free to contact me at 800-421-5354, x2783 with any additional questions or concerns.

Thank you for your partnership in this matter.

Sincerely,

Tyler Domski

Tyler Domski

PERFORMANCE CAPABILITY

i. Include a detailed response to Appendix D, Exhibit A, National IPA Response for National Cooperative Contract. Responses should highlight experience, demonstrate a strong national presence, describe how Offeror will educate its national sales force about the Contract, describe how products and services will be distributed nationwide, include a plan for marketing the products and services nationwide, and describe how volume will be tracked and reported to National IPA.

3.1 Company

A. Brief history and description of Supplier to include experience providing similar products and services.

Lakeshore is dedicated to creating innovative educational materials and furniture that spark young imaginations, instill a sense of wonder, and foster a lifelong love of learning. With materials, furniture, and environments for infants, toddlers, and students through the 12th grade, we help students reach developmental milestones and achieve educational goals—while still having fun!

Lakeshore is proud to have over 70 knowledgeable people around the United States that comprise our sales force. As the needs of the industry are ever changing, our consultants continue to learn and evolve to meet and exceed those needs. You can be confident that your local Lakeshore representative Richard Gomez, is an experienced, practiced professional who understands the needs of teachers and classrooms in all settings.

Like many great enterprises, Lakeshore started with one person taking a chance. An Omaha homemaker named Ethelyn decided to pack up her family and move to California to open a toy store back in 1954. The move was a bit unconventional for a woman in 1950s America, but then again, entrepreneurs don't typically follow the status quo. Initially, Ethelyn focused on selling toys to parents, but before long, local schools started calling her for art materials and other classroom supplies. Ethelyn listened to her customers. Sensing an untapped market, she sold the store and started Lakeshore Learning Materials.

Eventually, Ethelyn's sons, Charles and Michael, joined the business—expanding operations and turning Lakeshore into a million-dollar company within just a few years. When Ethelyn retired in 1971, Michael assumed the duties of CEO, while Charles became the Vice President in charge of merchandise and buying. Today, Michael's sons, Bo and Josh, are an integral part of the business as well—having worked their way up from summer jobs in the warehouse to President/CEO and President of Merchandising, respectively.

To this day, Lakeshore maintains the same strict standards that first made us great! Every product we make is distinguished by its quality, safety, educational merit and play value. And naturally, every Lakeshore product is backed by our ironclad guarantee: If you are unhappy with any item for any reason you may return it for a full refund or exchange…no questions asked! If you have any questions or need help with an order, just contact our Customer Service department. We'll make sure you get in touch with a real, live person who can address your needs.

Lakeshore continues to offer to offer the best products and service around—and we're still expanding! In addition to our growing network of over 60 retail stores, we offer two mail-order catalogs to meet the needs of parents, teachers and students worldwide. We have extensive experience working with schools, student programs (both public and private), and government agencies, doing business with over 10,000 school districts across the nation! Plus, our full-service website offers instantaneous access to our catalogs as well as free activity ideas, an interactive classroom designer and much more.

E. Describe any green or environmental initiatives or policies.

Lakeshore Learning Materials recognizes the importance of achieving sustainability in our businesses and our schools. That's why we have taken big steps to explore how our company and employees can effectively contribute to reducing our carbon footprint.

Thanks to our investment in renewable energy, one of our warehouses has been powered by solar energy! Our solar panels occupy roughly 80,000 square-feet or about 1.5 football fields!

In addition, our solar panels cut CO_2 emissions by 320 tons a year! Our impact on the environment is the same as planting 8,742 new trees per year! We're producing about 500,000 kWh of energy each year! Solar panels last 30-40 years, so we are going to help conserve energy for many years to come!

Lakeshore's top-quality products are designed to last year after year-promoting sustainability in the classroom and reducing waste. From our ruggedly built furniture that is guaranteed to last to our many reusable classroom activities, the majority of our products are non-consumable and will stand up to years of use.

As a company, we work to encourage recycling, reduce waste, and save energy. At our headquarters-as well as in all of our stores nationwide-we recycle our materials and supplies wherever possible. We have also lowered electricity use by installing motion sensors on our lights and using energy-saving settings on our computers.

To reduce paper waste, we promote the use of our website and e-commerce with all of our customers, creating an environment where a paper trail can be substituted with a digital trail. We have also purchased Forest Stewardship Council Certified Paper, and we're working toward printing all of our catalogs on FSC paper.

When you invest in Lakeshore products, you are investing in materials that are classroom-tough and non-disposable. Achieving complete sustainability is a process, and Lakeshore continues to work to create a greener environment for our employees, our customers, and those we touch around the world.

As you are well aware, turning a business toward 'green' business practices does take time, and Lakeshore has turned our attentions to how we, as a company and as employees, can effectively contribute to reducing our carbon footprint.

Listed below are several of the ways we are investing in the environment beyond the typical efforts to reduce, reuse and recycle our paper and cardboard waste, and to cut back on inefficient use of power, water, and other renewable resources:

- Lakeshore offers a variety of classroom furniture pieces that have earned GREENGUARD Certification. GREENGUARD Certification is recognized by numerous sustainable building programs, including the LEED® Building Rating System. Purchasing products that are GREENGUARD Certified helps you earn points toward LEED certification.
    - Products on our website that feature the GREENGUARD logo are certified by the GREENGUARD Environmental Institute to comply with low emissions standards-reducing chemical pollutants and helping improve the quality of indoor air.

- For a complete listing of Lakeshore's GREENGUARD Certified products, just search for the keyword "GREENGUARD" on our website.
- For more information on GREENGUARD, visit www.greenguard.org. You may also request more information from Lakeshore's Customer Service Department by calling 800-428-4414.

- We are one of the founding sponsors of the Nature Forum, which helps early childhood programs around the world get children outdoors and learning about the natural world.
- Our on-site Preschool for our employees' children has just recently partnered with Dimensions and the Nature Forum to create our own Nature Explore Classroom, giving our employees' children a natural play area where they are reconnecting with the earth in the midst of an industrial and urban environment.
- We actively promote and reward carpooling with our employees.
- The safety of all of our products is of paramount importance. Every item we sell has been tested for toxic materials and we continually exceed every federal regulation in the pureness of our materials.
- We promote the use of our on-line catalog and e-commerce with all of our customers, effectively creating an environment where a paper trail can be substituted with a digital trail, not only reducing the use of the paper generated by our customers and ourselves, but also reducing the amount of electricity and fuel needed to deliver and process those orders.
- We have just purchased FSC (Forest Stewardship Council) Certified Paper, and from here on out, all of our catalogs will be printed on FSC paper.
- All of our used corrugate materials are efficiently bundled and sent to be recycled and used again.

Indicate how, if at all, pricing changes when using the diversity program. If there are any diversity programs, provide a list of diversity alliances and a copy of their certifications.

We have enclosed this partial list because our vendor base numbers over 2,000 (and the products and components we carry are well over that number). We would not need to specifically "contract" with another company to fill your order because we have over one million feet of warehouse space where we keep a complete inventory of all materials at all times.

Lakeshore®

With more than 2 million square feet of warehouse space, we're able to keep items in stock and ready to ship. We have two state-of-the-art distribution centers located in Carson, California, and Midway, Kentucky, enabling us to serve the United States coast-to-coast! Our Carson distribution center is located at our company headquarters near the Ports of Long Beach and Los Angeles, accessible from every major trucking corridor. In Midway, our new distribution center is centrally located for all U.S. customers—eliminating back orders and drop shipments!

From order to delivery, expect the best service in the industry!

- Simple and hassle-free order tracking
- Custom labeling—so every item is delivered to the right classroom
- Personalized service from order to delivery

We work very hard to keep all our items stocked in our warehouse and available for immediate delivery. If by some chance there is a back order, we won't bill or invoice you until every item is delivered. From the day we receive your order, you will receive your materials in 7-21 working days (applicable to the 48 contiguous states), guaranteed. For large orders, we will work with our manufacturers to make sure we have the appropriate stock available to meet your de livery dates.

Lakeshore typically ships over a million boxes via UFS each year, with four to eight UPS semi-truckloads leaving our warehouses every day. We contract with five trucking companies that deliver 45,000 truckloads of materials each year to different regions across the country, and that number is growing.

Lakeshore can offer all our products and services under the Master Agreement to all U.S territories.

Delivery Time is 7-21 business days ARO for ship-to destinations within the contiguous United States. For orders shipping to Alaska and Hawaii, please allow 3-6 weeks. Shipments to APO/FPO addresses take 4-6 weeks. Shipments to U.S. territories take 3-6 weeks. We ship to the following U.S. territories: Puerto Rico, U.S. Virgin Islands, Guam, Marshall Islands, Palau, American Samoa, Federated States of Micronesia and Northern Mariana Islands. Freight charges will apply to orders shipping outside of the contiguous United States.

Lakeshore is flexible and can alter delivery and installation schedules if necessary.

C. Describe how Participating Agencies are ensured they will receive the Master Agreement pricing; include all distribution channels such as direct ordering, retail or in-store locations, through distributors, etc. Describe how Participating Agencies verify and audit pricing to ensure its compliance with the Master Agreement.

Lakeshore can ensure that Participating Agencies are able to receive the Master Agreement pricing by having each Agency and its participating members reference the Bid # when placing any and all orders. As soon as Bid #23-03 is referenced by any Participating Agency, Lakeshore will know to apply the pricing under the Master Agreement. This is the same process for any and all orders regardless of what channel the Participating Agency places an order through. It applies to all distribution channels, which includes direct ordering, retail or in store locations, correspondences, website orders and even through conversations with any of Lakeshore's Regional Sales staff.

D. Identify all other companies that will be involved in processing, handling or shipping the products/service to the end user.

Lakeshore is vertically integrated and will be the sole company that will process an order from start to finish. Any and all end users will be working directly with Lakeshore. Lakeshore can commit to this seamless transition because of the two major distribution centers and our extensive retail network.

I. Explain in detail how the sales teams will work with the OMNIA Partners team to implement, grow and service the national program.

Lakeshore is always striving to grow national programs. We are willing to pursue leads provided by OMNIA Partners to expand and grow our sales program nationwide. Should any non-current customers be interested in purchasing using the OMNIA Master Agreement, we would be very interested to learn of these opportunities. Our sales team will diligently pursue any opportunities provided by OMNIA Partners.

Lakeshore®

I. Explain in detail how Supplier will manage the overall national program through out the term of the Master Agreement, including ongoing coordination of marketing and sales efforts, timely new Participating Public Agency account set-up, timely contract administration, etc.

Lakeshore has an extensive staff that is able to handle all of the moving parts of the Master Agreement. We have contacts at our headquarters available to coordinate marketing and sales efforts at any time it would be relevant. We are able to set up Participating Agency accounts quickly, through our dedicated Accounts Team. We are able to handle all aspects of contract administration and have over 60 years of experience working with sales contracts.

We are able to utilize a national program for the term of the Agreement, as Lakeshore has over 60 sales representatives covering every state in the USA.

J. State the amount of Supplier's Public Agency sales for the previous fiscal year. Provide a list of Supplier's top 10 Public Agency customers, the total purchases for each for the previous fiscal year along with a key contact for each.

[redacted]

Please note: The above information is confidential.

K. Describe Supplier's information systems capabilities and limitations regarding order management through receipt of payment, including description of multiple platforms that may be used for any of these functions.

Once an order is received, it is manually entered, verified, and reviewed for adherence to our contractual agreement before being released. After being sent electronically to our Warehouse Management System, a workflow specialist sends the order into the automated lines of our distribution center. This maximizes efficiency for the thousands of orders we process each day. Because your inside partner, Pamela Ildefonso works closely with Region 4 ESC, she will be the main point of contact when you need to track an order. She is available by phone, fax, or e-mail. Pamela will be able to find out when the order shipped and an estimated delivery date.

Docusign Envelope ID: 2F12A91A-BCDC-4A19-B206-8B3713294002

We can also implement an "Invoice Match-Up" system; this means if your order doesn't match our invoice, we would take the necessary steps to correct it PRIOR to releasing and shipping the order. This will simplify the approval and payment process.

If a school needs to return an item, they can contact Pamela or Customer Service directly. We will make every effort to have FedEx pick-up the returned item immediately (typically within 3 to 5 days). If an item is damaged or we shipped the wrong item, we will make the pick-up at no charge and your account will be fully credited (or the item can be replaced). Every product Lakeshore sells is backed by our ironclad guarantee. We stake our reputation of the quality of our products. If you are unhappy with any item for any reason, you may return it for a full refund or exchange... No questions asked.

During the time your order reaches our warehouse to prepare for shipping, our Accounting department prepares your invoice to be mailed when your order ships complete. We can accommodate requests for individual locations to receive invoices when they are both the "bill to" and "ship to" address. Our options for electronic billing will be contingent on your specific needs and software requirements. We are currently involved in electronic invoicing projects with several school districts and agencies. If you would like to explore this option with Lakeshore, we will be pleased to have our Information Technology Manager speak with you regarding your specific needs and requirements to determine if our system will be compatible with yours.

If an order happens to contain a backordered item, we won't send an invoice until the entire order has shipped complete. Lakeshore's standard payment terms are Net 30 Days. Our audit / control features & process of our billing structure is quite simple. On the first of each month, we run billing statements for all customers with an invoice over 45 days old.

L. Provide the Contract Sales (as defined in Section 12 of the OMNIA Partners Administration Agreement) that Supplier will guarantee each year under the Master Agreement for the initial three years of the Master Agreement ("Guaranteed Contract Sales").

$_____.00 in year one
$_____.00 in year two
$_____.00 in year three

To the extent Supplier guarantees minimum Contract Sales, the Administrative Fee shall be calculated based on the greater of the actual Contract Sales and the Guaranteed Contract Sales.

Guaranteed Contract Sales:

$0.00 in year one
$0.00 in year two
$0.00 in year three

- In lieu of entering guaranteed contract sale- Lakeshore agrees to pay the 3% fee for all actual contract sales.

M. Even though it is anticipated many Public Agencies will be able to utilize the Master Agreement without further formal solicitation, there may be circumstances where Public Agencies will issue their own solicitations. The following options are available when responding to a solicitation for Products covered under the Master Agreement.

i. Respond with Master Agreement pricing (Contract Sales reported to OMNIA Partners).
ii. If competitive conditions require pricing lower than the standard Master Agreement not-to-exceed pricing, Supplier may respond with lower pricing through the Master Agreement. If Supplier is awarded the contract, the sales are reported as Contract Sales to OMNIA Partners under the Master Agreement.

Docusign Envelope ID: 2F12A91A-BCDC-4A19-B206-8B3713294002

iii. Respond with pricing higher than Master Agreement only in the unlikely event that the Public Agency refuses to utilize Master Agreement (Contract Sales are not reported to OMNIA Partners).

iv. If alternative or multiple proposals are permitted, respond with pricing higher than Master Agreement, and include Master Agreement as the alternate or additional proposal.

Lakeshore will handle new solicitations on a case-by-case basis, determining the best strategy based on the conditions present. A varied approach will be utilized, to ensure customers receive the best value available.

ii. The successful Offeror will be required to sign Appendix D, Exhibit B, National IPA Administration Agreement prior to Contract award. Offerors should have any reviews required to sign the document prior to submitting a response. Offeror's response should include any proposed exceptions to the National IPA Administration Agreement on Appendix B, Terms and Conditions Acceptance Form.

xv. Describe the Offeror's safety record.

At Lakeshore, students' safety is our highest priority—and we know it's the top concern of our customers, too. That's why we want to provide you with detailed information about Lakeshore's testing and certification process…and share with you the rigorous steps we take to ensure our products are safe.

In the 69 years that we've been in business, Lakeshore has always been a huge step ahead when it comes to safety. Not only are we in full compliance with all the current U.S. safety regulations, but we also have our own in-house Quality Assurance Team that tests and inspects every item we carry with even more rigorous standards than those required by law. Every item we sell must meet or exceed all the government safety requirements, or we don't carry it—period.

For us, safety begins at the moment a product idea is conceived and put into development. First, we ensure that all the materials that go into each new product are safe. The materials must be phthalate-compliant (phthalates are sometimes found in PVC and other plastics), as well as BPA-compliant (BPA, or bisphenol A, is sometimes found in clear, hard plastics). The materials must also pass strict standards for lead content.

Once we confirm that the materials we're using are safe, we conduct exhaustive "use and abuse" testing to make sure each product will remain safe through years of everyday use. And after a product passes our rigorous testing, it is then tested and certified by a third-party testing laboratory. Finally, we continue to monitor the safety of our products through periodic testing, both internally and by third-party labs, to ensure that our suppliers maintain the high level of integrity we demand of our materials.

For Lakeshore, students' safety always comes first. You can rest assured that the products we sell are safe and that we are doing everything we can to provide our customers with superior-quality products that they can trust with their students.

xvi. Describe Offeror's reporting capabilities. Provide samples of reports available and if there are any fees associated with the reports.

We have an in-house IT team of over 40 people that can design, program, and implement reporting tools and analysis for your program to your specifications. Lakeshore does not charge any fees associated with our reports. We would be happy to set up any automated reports that you may need.

xvii. Describe Offeror's green or sustainability program. What type of reporting or reviews are available to participating agencies?

Lakeshore Learning Materials recognizes the importance of achieving sustainability in our businesses and our schools. That's why we have taken big steps to explore how our company and employees can effectively contribute to reducing our carbon footprint.

Thanks to our investment in renewable energy, one of our warehouses has been powered by solar energy! Our solar panels occupy roughly 80,000 square-feet or about 1.5 football fields!

In addition, our solar panels cut CO_2 emissions by 320 tons a year! Our impact on the environment is the same as planting 8,742 new trees per year! We're producing about 500,000 kWh of energy each year! Solar panels last 30-40 years, so we are going to help conserve energy for many years to come!

Lakeshore's top-quality products are designed to last year after year-promoting sustainability in the classroom and reducing waste. From our ruggedly built furniture that is guaranteed to last to our many reusable classroom activities, the majority of our products are non-consumable and will stand up to years of use.

As a company, we work to encourage recycling, reduce waste, and save energy. At our headquarters-as well as in all of our stores nationwide-we recycle our materials and supplies wherever possible. We have also lowered electricity use by installing motion sensors on our lights and using energy-saving settings on our computers.

To reduce paper waste, we promote the use of our website and e-commerce with all of our customers, creating an environment where a paper trail can be substituted with a digital trail. We have also purchased Forest Stewardship Council Certified Paper, and we're working toward printing all of our catalogs on FSC paper.

When you invest in Lakeshore products, you are investing in materials that are classroom-tough and non-disposable. Achieving complete sustainability is a process, and Lakeshore continues to work to create a greener environment for our employees, our customers, and those we touch around the world.

As you are well aware, turning a business toward 'green' business practices does take time, and Lakeshore has turned our attentions to how we, as a company and as employees, can effectively contribute to reducing our carbon footprint.

Lakeshore®

Listed below are several of the ways we are investing in the environment beyond the typical efforts to reduce, reuse and recycle our paper and cardboard waste, and to cut back on inefficient use of power, water, and other renewable resources:

- Lakeshore offers a variety of classroom furniture pieces that have earned GREENGUARD Certification. GREENGUARD Certification is recognized by numerous sustainable building programs, including the LEED® Building Rating System. Purchasing products that are GREENGUARD Certified helps you earn points toward LEED certification.
    - Products on our website that feature the GREENGUARD logo are certified by the GREENGUARD Environmental Institute to comply with low emissions standards-reducing chemical pollutants and helping improve the quality of indoor air.
    - For a complete listing of Lakeshore's GREENGUARD Certified products, just search for the keyword "GREENGUARD" on our website.
    - For more information on GREENGUARD, visit www.greenguard.org. You may also request more information from Lakeshore's Customer Service Department by calling 800-428-4414.
- We are one of the founding sponsors of the Nature Forum, which helps early childhood programs around the world get students outdoors and learning about the natural world.
- Our on-site Preschool for our employees' children has just recently partnered with Dimensions and the Nature Forum to create our own Nature Explore Classroom, giving our employees' students a natural play area where they are reconnecting with the earth in the midst of an industrial and urban environment.
- We actively promote and reward carpooling with our employees.
- The safety of all of our products is of paramount importance. Every item we sell has been tested for toxic materials and we continually exceed every federal regulation in the pureness of our materials.
- We promote the use of our on-line catalog and e-commerce with all of our customers, effectively creating an environment where a paper trail can be substituted with a digital trail, not only reducing the use of the paper generated by our customers and ourselves, but also reducing the amount of electricity and fuel needed to deliver and process those orders.
- We have just purchased FSC (Forest Stewardship Council) Certified Paper, and from here on out, all of our catalogs will be printed on FSC paper.
- All of our used corrugate materials are efficiently bundled and sent to be recycled and used again.

xviii. Describe any social diversity initiatives.

As a company founded by a woman, Lakeshore Learning Materials is committed to equal opportunity. We have enclosed a partial list of some of the minority-owned and women-owned businesses that we use as vendors. We have enclosed this partial list because our vendor base numbers over 2,000 (and the products and components we carry are well over that number). We would not need to specifically "contract" with another company to fill your order because we have over one million feet of warehouse space where we keep a complete inventory of all materials at all times.

1.0 Scope of National Cooperative Contract

Capitalized terms not otherwise defined herein shall have the meanings given to them in the Master Agreement or in the Administration Agreement between Supplier and OMNIA Partners.

1.1 Requirement

The Region 4 ESC (hereinafter defined and referred to as "Principal Procurement Agency"), on behalf of itself and the National Intergovernmental Purchasing Alliance Company, a Delaware corporation d/b/a OMNIA Partners, Public Sector ("OMNIA Partners"), is requesting proposals for Educational School Supplies, Instructional Solutions, and Related Products. The intent of this Request for Proposal is any contract between Principal Procurement Agency and Supplier resulting from this Request for Proposal ("Master Agreement") be made available to other public agencies nationally, including state and local governmental entities, public and private primary, secondary and higher education entities, non-profit entities, and agencies for the public benefit ("Public Agencies"), through OMNIA Partners' cooperative purchasing program. The Principal Procurement Agency has executed a Principal Procurement Agency Certificate with OMNIA Partners, an example of which is included as Exhibit D, and has agreed to pursue the Master Agreement. Use of the Master Agreement by any Public Agency is preceded by their registration with OMNIA Partners as a Participating Public Agency in OMNIA Partners' cooperative purchasing program. Registration with OMNIA Partners as a Participating Public Agency is accomplished by Public Agencies entering into a Master Intergovernmental Cooperative Purchasing Agreement, an example of which is attached as Exhibit C, and by using the Master Agreement, any such Participating Public Agency agrees that it is registered with OMNIA Partners, whether pursuant to the terms of the Master Intergovernmental Purchasing Cooperative Agreement or as otherwise agreed to. The terms and pricing established in the resulting Master Agreement between the Supplier and the Principal Procurement Agency will be the same as that available to Participating Public Agencies through OMNIA Partners.

All transactions, purchase orders, invoices, payments etc., will occur directly between the Supplier and each Participating Public Agency individually, and neither OMNIA Partners, any Principal Procurement Agency nor any Participating Public Agency, including their respective agents, directors, employees or representatives, shall be liable to Supplier for any acts, liabilities, damages, etc., incurred by any other Participating Public Agency. Supplier is responsible for knowing the tax laws in each state.

This Exhibit A defines the expectations for qualifying Suppliers based on OMNIA Partners' requirements to market the resulting Master Agreement nationally to Public Agencies. Each section in this Exhibit A refers to the capabilities, requirements, obligations, and prohibitions of competing Suppliers on a national level in order to serve Participating Public Agencies through OMNIA Partners.

Docusign Envelope ID: 2F12A91A-BCDC-4A19-B206-8B3713294002

These requirements are incorporated into and are considered an integral part of this RFP. OMNIA Partners reserves the right to determine whether to make the Master Agreement awarded by the Principal Procurement Agency available to Participating Public Agencies, in its sole and absolute discretion, and any party submitting a response to this RFP acknowledges that any award by the Principal Procurement Agency does not obligate OMNIA Partners to make the Master Agreement available to Participating Procurement Agencies.

1.2 Marketing, Sales and Administrative Support

During the term of the Master Agreement OMNIA Partners intends to provide marketing, sales, partnership development and administrative support for Supplier pursuant to this section that directly promotes the Supplier's products and services to Participating Public Agencies through multiple channels, each designed to promote specific products and services to Public Agencies on a national basis.

OMNIA Partners will assign the Supplier a Director of Partner Development who will serve as the main point of contact for the Supplier and will be responsible for managing the overall relationship between the Supplier and OMNIA Partners. The Director of Partner Development will work with the Supplier to develop a comprehensive strategy to promote the Master Agreement and will connect the Supplier with appropriate stakeholders within OMNIA Partners including, Sales, Marketing, Contracting, Training, and Operations & Support.

The OMNIA Partners marketing team will work in conjunction with Supplier to promote the Master Agreement to both existing Participating Public Agencies and prospective Public Agencies through channels that may include:

A. Marketing collateral (print, electronic, email, presentations)

B. Website

C. Trade shows/conferences/meetings

D. Advertising

E. Social Media

The OMNIA Partners sales teams will work in conjunction with Supplier to promote the Master Agreement to both existing Participating Public Agencies and prospective Public Agencies through initiatives that may include:

A. Individual sales calls

B. Joint sales calls

C. Communications/customer service

D. Training sessions for Public Agency teams

E. Training sessions for Supplier teams

The OMNIA Partners contracting teams will work in conjunction with Supplier to promote the Master Agreement to both existing Participating Public Agencies and prospective Public Agencies through:

Docusign Envelope ID: 2F12A91A-BCDC-4A19-B206-8B3713294002

A. Serving as the subject matter expert for questions regarding joint powers authority and state statutes and regulations for cooperative purchasing

B. Training sessions for Public Agency teams

C. Training sessions for Supplier teams

D. Regular business reviews to monitor program success

E. General contract administration

Suppliers are required to pay an Administrative Fee of 3% of the greater of the Contract Sales under the Master Agreement and Guaranteed Contract Sales under this Request for Proposal. Supplier will be required to execute the OMNIA Partners Administration Agreement (Exhibit B). At Supplier's option, Suppliers may pay additional fees beyond administrative fees, such as technology fees, to OMNIA Partners and/or a third party for additional support and/or access to OMNIA Partners' technology platform.

1.3 Estimated Volume

The dollar volume purchased under the Master Agreement is estimated to be approximately $75 million annually. While no minimum volume is guaranteed to Supplier, the estimated annual volume is projected based on the current annual volumes among the Principal Procurement Agency, other Participating Public Agencies that are anticipated to utilize the resulting Master Agreement to be made available to them through OMNIA Partners, and volume growth into other Public Agencies through a coordinated marketing approach between Supplier and OMNIA Partners.

1.4 Award Basis

The basis of any contract award resulting from this RFP made by Principal Procurement Agency will, at OMNIA Partners' option, be the basis of award on a national level through OMNIA Partners. If multiple Suppliers are awarded by Principal Procurement Agency under the Master Agreement, those same Suppliers will be required to extend the Master Agreement to Participating Public Agencies through OMNIA Partners. Utilization of the Master Agreement by Participating Public Agencies will be at the discretion of the individual Participating Public Agency. Certain terms of the Master Agreement specifically applicable to the Principal Procurement Agency (e.g., governing law) are subject to modification for each Participating Public Agency as Supplier and such Participating Public Agency may agree without being in conflict with the Master Agreement as a condition of the Participating Agency's purchase and not a modification of the Master Agreement applicable to all Participating Agencies. Participating Agencies may request to enter into a separate supplemental agreement to further define the level of service requirements over and above the minimum defined in the Master Agreement (e.g., governing law, invoice requirements, order requirements, specialized delivery, diversity requirements (such as minority and woman owned businesses, historically underutilized business, etc.) ("Supplemental Agreement"). It shall be the responsibility of the Supplier to comply, when applicable, with the prevailing wage legislation in effect in the jurisdiction of the Participating Agency. It shall further be the responsibility of the Supplier to monitor the prevailing wage rates as established by the appropriate department of labor for any increase in rates during the term of the Master Agreement and adjust wage rates accordingly. In instances where supplemental terms and conditions create additional risk and cost for Supplier, Supplier and Participating Public Agency may negotiate

Docusign Envelope ID: 2F12A91A-BCDC-4A19-B206-8B3713294002

additional pricing above and beyond the stated contract not-to-exceed pricing so long as the added price is commensurate with the additional cost incurred by the Supplier. Any supplemental agreement developed as a result of the Master Agreement is exclusively between the Participating Agency and the Supplier (Contract Sales are reported to OMNIA Partners).

All signed Supplemental Agreements and purchase orders issued and accepted by the Supplier may survive expiration or termination of the Master Agreement. Participating Agencies' purchase orders may exceed the term of the Master Agreement if the purchase order is issued prior to the expiration of the Master Agreement. Supplier is responsible for reporting all sales and paying the applicable Administrative Fee for sales that use the Master Agreement as the basis for the purchase order, even though Master Agreement may have expired.

1.5 Objectives of Cooperative Program

This RFP is intended to achieve the following objectives regarding availability through OMNIA Partners' cooperative program:

A. Provide a comprehensive competitively solicited and awarded national agreement offering the Products covered by this solicitation to Participating Public Agencies;

B. Establish the Master Agreement as the Supplier's primary go to market strategy to Public Agencies nationwide;

C. Achieve cost savings for Supplier and Public Agencies through a single solicitation process that will reduce the Supplier's need to respond to multiple solicitations and Public Agencies need to conduct their own solicitation process;

D. Combine the aggregate purchasing volumes of Participating Public Agencies to achieve cost effective pricing.

2.0 REPRESENTATIONS AND COVENANTS

As a condition to Supplier entering into the Master Agreement, which would be available to all Public Agencies, Supplier must make certain representations, warranties and covenants to both the Principal Procurement Agency and OMNIA Partners designed to ensure the success of the Master Agreement for all Participating Public Agencies as well as the Supplier.

2.1 Corporate Commitment

Supplier commits that (1) the Master Agreement has received all necessary corporate authorizations and support of the Supplier's executive management, (2) the Master Agreement is Supplier's primary "go to market" strategy for Public Agencies, (3) the Master Agreement will be promoted to all Public Agencies, including any existing customers, and Supplier will transition existing customers, upon their request, to the Master Agreement, and (4) that the Supplier has read and agrees to the terms and conditions of the Administration Agreement with OMNIA Partners and will execute such agreement concurrent with and as a condition of its execution of the Master Agreement with the Principal Procurement Agency. Supplier will identify an executive corporate sponsor and a separate national account manager within the RFP response that will be responsible for the overall management of the Master Agreement.

Docusign Envelope ID: 2F12A91A-BCDC-4A19-B206-8B3713294002

2.2 Pricing Commitment

Supplier commits the not-to-exceed pricing provided under the Master Agreement pricing is its lowest available (net to buyer) to Public Agencies nationwide and further commits that if a Participating Public Agency is eligible for lower pricing through a national, state, regional or local or cooperative contract, the Supplier will match such lower pricing to that Participating Public Agency under the Master Agreement.

2.3 Sales Commitment

Supplier commits to aggressively market the Master Agreement as its go to market strategy in this defined sector and that its sales force will be trained, engaged and committed to offering the Master Agreement to Public Agencies through OMNIA Partners nationwide. Supplier commits that all Master Agreement sales will be accurately and timely reported to OMNIA Partners in accordance with the OMNIA Partners Administration Agreement. Supplier also commits its sales force will be compensated, including sales incentives, for sales to Public Agencies under the Master Agreement in a consistent or better manner compared to sales to Public Agencies if the Supplier were not awarded the Master Agreement.

3.0 SUPPLIER RESPONSE

14. In the event of such an audit, Supplier shall provide all materials reasonably requested relating to such audit by OMNIA Partners at the location designated by OMNIA Partners. In the event an underreporting of Contract Sales and a resulting underpayment of Administrative Fees is revealed, OMNIA Partners will notify the Supplier in writing. RECITALS

WHEREAS, after a competitive solicitation and selection process by Principal Procurement Agencies, in compliance with their own policies, procedures, rules and regulations, a number of suppliers have entered into "**Master Agreements**" (herein so called) to provide a variety of goods, products and services ("**Products**") to the applicable Principal Procurement Agency and the Participating Public Agencies;

WHEREAS, Master Agreements are made available by Principal Procurement Agencies through the OMNIA Partners Parties and provide that Participating Public Agencies may purchase Products on the same terms, conditions and pricing as the Principal Procurement Agency, subject to any applicable federal and/or local purchasing ordinances and the laws of the State of purchase; and

WHEREAS, in addition to Master Agreements, the OMNIA Partners Parties may from time to time offer Participating Public Agencies the opportunity to acquire Products through other group purchasing agreements.

NOW, THEREFORE, in consideration of the mutual promises contained in this Agreement, and of the mutual benefits to result, the parties hereby agree as follows:

1. Each party will facilitate the cooperative procurement of Products.

2. The Participating Public Agencies shall procure Products in accordance with and subject to the relevant federal, state and local statutes, ordinances, rules and regulations that govern Participating Public Agency's procurement practices. The Participating Public Agencies hereby acknowledge and agree that it is the intent of the parties that all provisions of this Agreement and that Principal Procurement Agencies' participation in the program described herein comply with all applicable laws, including but not limited to the requirements of 42 C.F.R. § 1001.952(j), as may be amended from time to time. ADDENDUM FOR AGREEMENT FUNDED BY U.S. FEDERAL GRANT

TO WHOM IT MAY CONCERN:

Participating Agencies may elect to use federal funds to purchase under the Master Agreement. This form should be completed and returned.

DEFINITIONS

Contract means a legal instrument by which a non–Federal entity purchases property or services needed to carry out the project or program under a Federal award. The term as used in this part does not include a legal instrument, even if the non–Federal entity considers it a contract, when the substance of the transaction meets the definition of a Federal award or subaward.

Contractor means an entity that receives a contract as defined in Contract.

Cooperative agreement means a legal instrument of financial assistance between a Federal awarding agency or pass-through entity and a non–Federal entity that, consistent with 31 U.S.C. 6302–6305:

(a) Is used to enter into a relationship the principal purpose of which is to transfer anything of value from the Federal awarding agency or pass-through entity to the non–Federal entity to carry out a public purpose authorized by a law of the United States (see 31 U.S.C. 6101(3)), and not to acquire property or services for the Federal government or pass-through entity's direct benefit or use;

(b) Is distinguished from a grant in that it provides for substantial involvement between the Federal awarding agency or pass-through entity and the non–Federal entity in carrying out the activity contemplated by the Federal award.

(c) The term does not include:

(1) A cooperative research and development agreement as defined in 15 U.S.C. 3710a; or

(2) An agreement that provides only:

(i) Direct United States Government cash assistance to an individual;

(ii) A subsidy;

(iii) A loan;

(iv) A loan guarantee; or

(v) Insurance.

Federal awarding agency means the Federal agency that provides a Federal award directly to a non–Federal entity.

Federal award has the meaning, depending on the context, in either paragraph (a) or (b) of this section:

(a)(1) The Federal financial assistance that a non–Federal entity receives directly from a Federal awarding agency or indirectly from a pass-through entity, as described in § 200.101 Applicability; or

(2) The cost-reimbursement contract under the Federal Acquisition Regulations that a non–Federal entity receives directly from a Federal awarding agency or indirectly from a pass-through entity, as described in § 200.101 Applicability.

(b) The instrument setting forth the terms and conditions. The instrument is the grant agreement, cooperative agreement, other agreement for assistance covered in paragraph (b) of § 200.40 Federal financial assistance, or the cost-reimbursement contract awarded under the Federal Acquisition Regulations.

(c) Federal award does not include other contracts that a Federal agency uses to buy goods or services from a contractor or a contract to operate Federal government owned, contractor operated facilities (GOCOs).

(d) See also definitions of Federal financial assistance, grant agreement, and cooperative agreement.

Non-Federal entity means a state, local government, Indian tribe, institution of higher education (IHE), or nonprofit organization that carries out a Federal award as a recipient or subrecipient.

Nonprofit organization means any corporation, trust, association, cooperative, or other organization, not including IHEs, that:

(a) Is operated primarily for scientific, educational, service, charitable, or similar purposes in the public interest;
(b) Is not organized primarily for profit; and
(c) Uses net proceeds to maintain, improve, or expand the operations of the organization.

Obligations means, when used in connection with a non-Federal entity's utilization of funds under a Federal award, orders placed for property and services, contracts and subawards made, and similar transactions during a given period that require payment by the non-Federal entity during the same or a future period.

Pass-through entity means a non-Federal entity that provides a subaward to a subrecipient to carry out part of a Federal program.

Recipient means a non-Federal entity that receives a Federal award directly from a Federal awarding agency to carry out an activity under a Federal program. The term recipient does not include subrecipients.

Simplified acquisition threshold means the dollar amount below which a non-Federal entity may purchase property or services using small purchase methods. Non-Federal entities adopt small purchase procedures in order to expedite the purchase of items costing less than the simplified acquisition threshold. The simplified acquisition threshold is set by the Federal Acquisition Regulation at 48 CFR Subpart 2.1 (Definitions) and in accordance with 41 U.S.C. 1908. As of the publication of this part, the simplified acquisition threshold is $250,000, but this threshold is periodically adjusted for inflation. (Also see definition of § 200.67 Micro-purchase.)

Subaward means an award provided by a pass-through entity to a subrecipient for the subrecipient to carry out part of a Federal award received by the pass-through entity. It does not include payments to a contractor or payments to an individual that is a beneficiary of a Federal program. A subaward may be provided through any form of legal agreement, including an agreement that the pass-through entity considers a contract.

Subrecipient means a non-Federal entity that receives a subaward from a pass-through entity to carry out part of a Federal program; but does not include an individual that is a beneficiary of such program. A subrecipient may also be a recipient of other Federal awards directly from a Federal awarding agency.

Termination means the ending of a Federal award, in whole or in part at any time prior to the planned end of period of performance.

The following provisions may be required and apply when Participating Agency expends federal funds for any purchase resulting from this procurement process. Per FAR 52.204-24 and FAR 52.204-25, solicitations and resultant contracts shall contain the following provisions:

FEMA AND ADDITIONAL FEDERAL FUNDING SPECIAL CONDITIONS

Awarded Supplier(s) (also referred to as Contractors) may need to respond to events and losses where products and services are needed for the immediate and initial response to emergency situations such as, but not limited to, water damage, fire damage, vandalism cleanup, biohazard cleanup, sewage decontamination, deodorization, and/or wind damage during a disaster or emergency situation. By submitting a proposal, the Supplier is accepted these FEMA and Additional Federal Funding Special Conditions required by the Federal Emergency Management Agency (FEMA) and other federal entities.

"Contract" in the below pages under FEMA AND ADDITIONAL FEDERAL FUNDING SPECIAL CONDITIONS is also referred to and defined as the "Master Agreement".

"Contractor" in the below pages under FEMA AND ADDITIONAL FEDERAL FUNDING SPECIAL CONDITIONS is also referred to and defined as "Supplier" or "Awarded Supplier".

Conflicts of Interest

No employee, officer, or agent may participate in the selection, award, or administration of a contract supported by a FEMA award if he or she has a real or apparent conflict of interest. Such a conflict would arise when the employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of these parties, has a financial or other interest in or a tangible personal benefit from a firm considered for award. 2 C.F.R. § 200.318(c)(1); See also Standard Form 424D, ¶ 7; Standard Form 424B, ¶ 3. i. FEMA considers a "financial interest" to be the potential for gain or loss to the employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of these parties as a result of the particular procurement. The prohibited financial interest may arise from ownership of certain financial instruments or investments such as stock, bonds, or real estate, or from a salary, indebtedness, job offer, or similar interest that might be affected by the particular procurement. ii. FEMA considers an "apparent" conflict of interest to exist where an actual conflict does not exist, but where a reasonable person with knowledge of the relevant facts would question the impartiality of the employee, officer, or agent participating in the procurement. c. Gifts. The officers, employees, and agents of the Participating Public Agency nor the Participating Public Agency ("NFE") must neither solicit nor accept gratuities, favors, or anything of monetary value from contractors or parties to subcontracts. However, NFE's may set standards for situations in which the financial interest is de minimus, not substantial, or the gift is an unsolicited item of nominal value. 2 C.F.R. § 200.318(c)(1). d. Violations. The NFE's written standards of conduct must provide for disciplinary actions to be applied for violations of such standards by officers, employees, or agents of the NFE. 2 C.F.R. § 200.318(c)(1). For example, the penalty for a NFE's employee may be dismissal, and the penalty for a contractor might be the termination of the contract.

Contractor Integrity

A contractor must have a satisfactory record of integrity and business ethics. Contractors that are debarred or suspended, as described in and subject to the debarment and suspension regulations implementing Executive Order 12549, *Debarment and Suspension* (1986) and Executive Order 12689, *Debarment and Suspension* (1989) at 2 C.F.R. Part 180 and the Department of Homeland Security's regulations at 2 C.F.R. Part 3000 (Non-procurement Debarment and Suspension), must be rejected and cannot receive contract awards at any level.

Notice of Legal Matters Affecting the Federal Government

In the event FTA or DOT funding is used by Participating Public Agency, Contractor agrees to:

(1) The Contractor agrees that if a current or prospective legal matter that may affect the Federal Government emerges, the Contractor shall promptly notify the Participating Public Agency of the legal matter in accordance with 2 C.F.R. §§ 180.220 and 1200.220.

Docusign Envelope ID: 2F12A91A-BCDC-4A19-B206-8B3713294002

2) The types of legal matters that require notification include, but are not limited to, a major dispute, breach, default, litigation, or naming the Federal Government as a party to litigation or a legal disagreement in any forum for any reason.

3) The Contractor further agrees to include the above clause in each subcontract, at every tier, financed in whole or in part with Federal assistance provided by the FTA.

Public Policy

A contractor must comply with the public policies of the Federal Government and state, local government, or tribal government. This includes, among other things, past and current compliance with the:

a. Equal opportunity and nondiscrimination laws.
b. Five affirmative steps described at 2 C.F.R. § 200.321(b) for all subcontracting under contracts supported by FEMA financial assistance; and FEMA Procurement Guidance June 21, 2016 Page IV- 7
c. Applicable prevailing wage laws, regulations, and executive orders.

Affirmative Steps

For any subcontracting opportunities, Contractor must take the following Affirmative steps:

1. Placing qualified small and minority businesses and women's business enterprises on solicitation lists;
2. Assuring that small and minority businesses, and women's business enterprises are solicited whenever they are potential sources;
3. Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority businesses, and women's business enterprises;
4. Establishing delivery schedules, where the requirement permits, which encourage participation by small and minority businesses, and women's business enterprises; and
5. Using the services and assistance, as appropriate, of such organizations as the Small Business Administration and the Minority Business Development Agency of the Department of Commerce.

Prevailing Wage Requirements

When applicable, the awarded Contractor (s) and any and all subcontractor(s) agree to comply with all laws regarding prevailing wage rates including the Davis-Bacon Act, applicable to this solicitation and/or Participating Public Agencies. The Participating Public Agency shall notify the Contractor of the applicable pricing/prevailing wage rates and must apply any local wage rates requested. The Contractor and any subcontractor(s) shall comply with the prevailing wage rates set by the Participating Public Agency.

Federal Requirements

If products and services are issued in response to an emergency or disaster recovery the items below, located in this FEMA Special Conditions section of the Federal Funds Certifications, are activated and required when federal funding may be utilized.

2 C.F.R. § 200.326 and 2 C.F.R. Part 200, Appendix II, Required Contract Clauses

1. **CONTRACT REMEDIES**

Contracts for more than the federal simplified acquisition threshold (SAT), the dollar amount below which an NFE may purchase property or services using small purchase methods, currently set at $250,000 for procurements made on or after June 20, 2018,4 must address administrative,

Docusign Envelope ID: 2F12A91A-BCDC-4A19-B206-8B3713294002

contractual, or legal remedies in instances where contractors violate or breach contract terms and must provide for sanctions and penalties as appropriate.

1.1 Applicability
This contract provision is required for contracts over the SAT, currently set at $250,000 for procurements made on or after June 20, 2018. Although not required for contracts at or below the SAT, FEMA suggests including a remedies provision.

1.2 Additional Considerations
For FEMA's Assistance to Firefighters Grant (AFG) Program, recipients must include a penalty clause in all contracts for any AFG-funded vehicle, regardless of dollar amount. In that situation, the contract must include a clause addressing that non-delivery by the contract's specified date or other vendor nonperformance will require a penalty of no less than $100 per day until such time that the vehicle, compliant with the terms of the contract, has been accepted by the recipient. This penalty clause should, however, account for force majeure or acts of God. AFG recipients should refer to the applicable year's Notice of Funding Opportunity (NOFO) for additional information, which can be accessed at FEMA.gov.

2. TERMINATION FOR CAUSE AND CONVENIENCE

a. Standard. All contracts in excess of $10,000 must address termination for cause and for convenience by the non-Federal entity, including the manner by which it will be effected and the basis for settlement. See 2 C.F.R. Part 200, Appendix II(B).

b. Applicability. This requirement applies to all FEMA grant and cooperative agreement programs.

3. EQUAL EMPLOYMENT OPPORTUNITY

When applicable:

a. Standard. Except as otherwise provided under 41 C.F.R. Part 60, all contracts that meet the definition of "federally assisted construction contract" in 41 C.F.R. § 60-1.3 must include the equal opportunity clause provided under 41 C.F.R. § 60- 1.4(b), in accordance with Executive Order 11246, *Equal Employment Opportunity* (30 Fed. Reg. 12319, 12935, 3 C.F.R. Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, *Amending Executive Order 11246 Relating to Equal Employment Opportunity*, and implementing regulations at 41 C.F.R. Part 60 (Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor). See 2 C.F.R. Part 200, Appendix II(C).

b. Key Definitions.

i. Federally Assisted Construction Contract. The regulation at 41 C.F.R. § 60-1.3 defines a "federally assisted construction contract" as any agreement or modification thereof between any applicant and a person for construction work which is paid for in whole or in part with funds obtained from the Government or borrowed on the credit of the Government pursuant to any Federal program involving a grant, contract, loan, insurance, or guarantee, or undertaken pursuant to any Federal

Docusign Envelope ID: 2F12A91A-BCDC-4A19-B206-8B3713294002

program involving such grant, contract, loan, insurance, or guarantee or any application or modification thereof approved by the Government for a grant, contract, loan, insurance, or guarantee under which the applicant itself participates in the construction work.

ii. Construction Work. The regulation at 41 C.F.R. § 60-1.3 defines "construction work" as the construction, rehabilitation, alteration, conversion, extension, demolition or repair of buildings, highways, or other changes or improvements to real property, including facilities providing utility services. The term also includes the supervision, inspection, and other onsite functions incidental to the actual construction.

c. Applicability. This requirement applies to all FEMA grant and cooperative agreement programs.

d. Required Language. The regulation at 41 C.F.R. Part 60-1.4(b) requires the insertion of the following contract clause.

During the performance of this contract, the contractor agrees as follows:

(1) The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following:

Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

(2) The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.

(3) The contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.

(4) The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the contractor's commitments under this section and shall post copies of the notice in conspicuous

Docusign Envelope ID: 2F12A91A-BCDC-4A19-B206-8B3713294002

places available to employees and applicants for employment.

(5) The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

(6) The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

(7) In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

(8) The contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance:

Provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, the contractor may request the United States to enter into such litigation to protect the interests of the United States.

The applicant further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: *Provided*, That if the applicant so participating is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the contract.

The applicant agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of contractors and subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance.

The applicant further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 of September 24, 1965, with a contractor debarred from, or who has not demonstrated eligibility for, Government contracts and federally assisted construction contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon contractors and subcontractors by the administering agency or the

Docusign Envelope ID: 2F12A91A-BCDC-4A19-B206-8B3713294002

Secretary of Labor pursuant to Part II, Subpart D of the Executive Order. In addition, the applicant agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: Cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the applicant under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such applicant; and refer the case to the Department of Justice for appropriate legal proceedings.

5. CONTRACT WORK HOURS AND SAFETY STANDARDSACT

a. Standard. Where applicable (see 40 U.S.C. §§ 3701-3708), all contracts awarded by the non-Federal entity in excess of $100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. §§ 3702 and 3704, as supplemented by Department of Labor regulations at 29 C.F.R. Part 5. See 2 C.F.R. Part 200, Appendix II(E). Under 40 U.S.C. § 3702, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. Further, no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous, or dangerous.

b. Applicability. This requirement applies to all FEMA contracts awarded by the non- federal entity in excess of $100,000 under grant and cooperative agreement programs that involve the employment of mechanics or laborers. It is applicable to construction work. These requirements do not apply to the purchase of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

c. Suggested Language. The regulation at 29 C.F.R. § 5.5(b) provides contract clause language concerning compliance with the Contract Work Hours and Safety Standards Act. FEMA suggests including the following contract clause:

Compliance with the Contract Work Hours and Safety Standards Act.

(1) *Overtime requirements.* No contractor or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of forty hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty hours in suchworkweek.

(2) *Violation; liability for unpaid wages; liquidated damages.* In the event of any violation of the clause set forth in paragraph (b)(1) of this section the contractor and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, such contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in paragraph (b)(1) of this section, in the sum of
$27 for each calendar day on which such individual was required or permitted to work in

Docusign Envelope ID: 2F12A91A-BCDC-4A19-B206-8B3713294002

excess of the standard workweek of forty hours without payment of the overtime wages required by the clause set forth in paragraph (b)(1) of this section.

(3) *Withholding for unpaid wages and liquidated damages.* The Federal agency or loan/grant recipient shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the contractor or subcontractor under any such contract or any other Federal contract with the same prime contractor, or any other federally-assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by the same prime contractor, such sums as may be determined to be necessary to satisfy any liabilities of such contractor or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in paragraph (b)(2) of this section.

(4) *Subcontracts.* The contractor or subcontractor shall insert in any subcontracts the clauses set forth in paragraph (b)(1) through (4) of this section and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for compliance by any subcontractor or lower tier subcontractor with the clauses set forth in paragraphs (b)(1) through (4) of this section.

7. RIGHTS TO INVENTIONS MADE UNDER A CONTRACT OR AGREEMENT

a. Standard. If the FEMA award meets the definition of "funding agreement" under 37 C.F.R. § 401.2(a) and the non-Federal entity wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement," the non-Federal entity must comply with the requirements of 37 C.F.R. Part 401 (Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements), and any implementing regulations issued by FEMA. See 2 C.F.R. Part 200, Appendix II(F).

b. Applicability. This requirement applies to "*funding agreements*," but it DOES NOT apply to the Public Assistance, Hazard Mitigation Grant Program, Fire Management Assistance Grant Program, Crisis Counseling Assistance and Training Grant Program, Disaster Case Management Grant Program, and Federal Assistance to Individuals and Households – Other Needs Assistance Grant Program, as FEMA awards under these programs do not meet the definition of "funding agreement."

c. Funding Agreements Definition. The regulation at 37 C.F.R. § 401.2(a) defines "funding agreement" as any contract, grant, or cooperative agreement entered into between any Federal agency, other than the Tennessee Valley Authority, and any contractor for the performance of experimental, developmental, or research work funded in whole or in part by the Federal government. This term also includes any assignment, substitution of parties, or subcontract of any type entered into for the performance of experimental, developmental, or research work under a funding agreement as defined in the first sentence of this paragraph.

8. CLEAN AIR ACT AND THE FEDERAL WATER POLLUTION CONTROL ACT

a. Standard. If applicable, contracts must contain a provision that requires the contractor to agree to comply with all applicable standards, orders, or regulations issued pursuant to

Docusign Envelope ID: 2F12A91A-BCDC-4A19-B206-8B3713294002

the Clean Air Act (42 U.S.C. §§ 7401-7671q.) and the Federal Water Pollution Control Act as amended (33 U.S.C. §§ 1251-1387). Violations must be reported to FEMA and the Regional Office of the Environmental Protection Agency. See 2 C.F.R. Part 200, Appendix II(G).

b. Applicability. This requirement applies to contracts awarded by a non-federal entity of amounts in excess of $150,000 under a federal grant.

c. Suggested Language. The following provides a sample contract clause:

Clean Air Act

1. The contractor agrees to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act, as amended, 42 U.S.C. § 7401 et seq.

2. The contractor agrees to report each violation to the Participating Public Agency and understands and agrees that the Participating Public Agency will, in turn, report each violation as required to assure notification to the Federal Emergency Management Agency, and the appropriate Environmental Protection Agency Regional Office.

3. The contractor agrees to include these requirements in each subcontract exceeding $150,000 financed in whole or in part with Federal assistance provided by FEMA.

Federal Water Pollution Control Act

1. The contractor agrees to comply with all applicable standards, orders, or regulations issued pursuant to the Federal Water Pollution Control Act, as amended, 33 U.S.C. 1251 et seq.

2. The contractor agrees to report each violation to the Participating Public Agency and understands and agrees that the Participating Public Agency will, in turn, report each violation as required to assure notification to the Federal Emergency Management Agency, and the appropriate Environmental Protection Agency Regional Office.

3. The contractor agrees to include these requirements in each subcontract exceeding $150,000 financed in whole or in part with Federal assistance provided by FEMA.

9. DEBARMENT AND SUSPENSION

a. Standard. Non-Federal entities and contractors are subject to the debarment and suspension regulations implementing Executive Order 12549, *Debarment and Suspension* (1986) and Executive Order 12689, *Debarment and Suspension* (1989) at 2 C.F.R. Part 180 and the Department of Homeland Security's regulations at 2 C.F.R. Part 3000 (Non-procurement Debarment and Suspension).

Docusign Envelope ID: 2F12A91A-BCDC-4A19-B206-8B3713294002

b. Applicability. This requirement applies to all FEMA grant and cooperative agreement programs.

c. Requirements.

i. These regulations restrict awards, subawards, and contracts with certain parties that are debarred, suspended, or otherwise excluded from or ineligible for participation in Federal assistance programs and activities. See 2 C.F.R. Part 200, Appendix II(H); and 2 C.F.R. § 200.213. A contract award must not be made to parties listed in the SAM Exclusions. SAM Exclusions is the list maintained by the General Services Administration that contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549. SAM exclusions can be accessed at www.sam.gov. See 2 C.F.R. § 180.530.

ii. In general, an "excluded" party cannot receive a Federal grant award or a contract within the meaning of a "covered transaction," to include subawards and subcontracts. This includes parties that receive Federal funding indirectly, such as contractors to recipients and subrecipients. The key to the exclusion is whether there is a "covered transaction," which is any non-procurement transaction (unless excepted) at either a "primary" or "secondary" tier. Although "covered transactions" do not include contracts awarded by the Federal Government for purposes of the non-procurement common rule and DHS's implementing regulations, it does include some contracts awarded by recipients and subrecipients.

iii. Specifically, a covered transaction includes the following contracts for goods or services:

1. The contract is awarded by a recipient or subrecipient in the amount of at least $25,000.

2. The contract requires the approval of FEMA, regardless of amount.

3. The contract is for federally-required audit services.

4. A subcontract is also a covered transaction if it is awarded by the contractor of a recipient or subrecipient and requires either the approval of FEMA or is in excess of $25,000.

d. Suggested Language. The following provides a debarment and suspension clause. It incorporates an optional method of verifying that contractors are not excluded or disqualified.

Suspension and Debarment

(1) This contract is a covered transaction for purposes of 2 C.F.R. pt. 180 and 2 C.F.R. pt. 3000. As such, the contractor is required to verify that none of the contractor's principals (defined at 2 C.F.R. § 180.995) or its affiliates (defined at 2 C.F.R. § 180.905) are excluded (defined at 2 C.F.R. § 180.940) or disqualified (defined at 2 C.F.R. § 180.935).

Docusign Envelope ID: 2F12A91A-BCDC-4A19-B206-8B3713294002

(2) The contractor must comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C, and must include a requirement to comply with these regulations in any lower tier covered transaction it enters into.

(3) This certification is a material representation of fact relied upon by the Participating Public Agency. If it is later determined that the contractor did not comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C, in addition to remedies available to the Participating Public Agency, the Federal Government may pursue available remedies, including but not limited to suspension and/or debarment.

(4) The bidder or proposer agrees to comply with the requirements of 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C while this offer is valid and throughout the period of any contract that may arise from this offer. The bidder or proposer further agrees to include a provision requiring such compliance in its lower tier covered transactions.

10. BYRD ANTI-LOBBYING AMENDMENT

a. Standard. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, officer or employee of Congress, or an employee of a Member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. § 1352. FEMA's regulation at 44 C.F.R. Part 18 implements the requirements of 31 U.S.C. § 1352 and provides, in Appendix A to Part 18, a copy of the certification that is required to be completed by each entity as described in 31 U.S.C. § 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the Federal awarding agency.

b. Applicability. This requirement applies to all FEMA grant and cooperative agreement programs. Contractors that apply or bid for a contract of $100,000 or more under a federal grant must file the required certification. See 2 C.F.R. Part 200, Appendix II(I), 31 U.S.C. § 1352, and 44 C.F.R. Part 18.

c. Suggested Language.

Byrd Anti-Lobbying Amendment: 31 U.S.C. § 1352 (as amended)

Contractors who apply or bid for an award of $100,000 or more shall file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, officer or employee of Congress, or an employee of a Member of Congress in connection with obtaining any Federal contract, grant, or any other award covered by 31 U.S.C. § 1352. Each tier shall also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the recipient who in turn will forward the certification(s) to the awarding agency.

d. Required Certification. If applicable, contractors must sign and submit to the non-federal

Docusign Envelope ID: 2F12A91A-BCDC-4A19-B206-8B3713294002

entity the following certification.

APPENDIX A, 44 C.F.R. PART 18 – CERTIFICATION REGARDING LOBBYING

Certification for Contracts, Grants, Loans, and Cooperative Agreements

The undersigned certifies, to the best of his or her knowledge and belief, that:

1. No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

3. The undersigned shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

The Contractor, Lakeshore Learning Materials, LLC, certifies or affirms the truthfulness and accuracy of each statement of its certification and disclosure, if any. In addition, the Contractor understands and agrees that the provisions of 31 U.S.C. Chap. 38, Administrative Remedies for False Claims and Statements, apply to this certification and disclosure, if any.

11. PROCUREMENT OF RECOVERED MATERIALS

a. Standard. A non-Federal entity that is a state agency or agency of a political subdivision of a state and its contractors must comply with Section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act. See 2 C.F.R. Part 200, Appendix II(J), and 2 C.F.R. §200.322.

b. Applicability. This requirement applies to all contracts awarded by a non- federal entity under FEMA grant and cooperative agreement programs.

c. Requirements. The requirements of Section 6002 include procuring only items designated in guidelines of the EPA at 40 C.F.R. Part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds
$10,000 or the value of the quantity acquired by the preceding fiscal year exceeded $10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.

d. Suggested Language.

i. In the performance of this contract, the Contractor shall make maximum use of products containing recovered materials that are EPA-designated items unless the product cannot be acquired—

1. Competitively within a timeframe providing for compliance with the contract performance schedule;
2. Meeting contract performance requirements; or
3. At a reasonable price.

ii. Information about this requirement, along with the list of EPA- designated items, is available at EPA's Comprehensive Procurement Guidelines web site, https://www.epa.gov/smm/comprehensive-procurement-guideline-cpg-program.

iii. The Contractor also agrees to comply with all other applicable requirements of Section 6002 of the Solid Waste Disposal Act."

12. DOMESTIC PREFERENCES FOR PROCUREMENTS

As appropriate, and to the extent consistent with law, CONTRACTOR should, to the greatest extent practicable under a federal award, provide a preference for the purchase, acquisition, or use of goods, products or materials produced in the United States. This includes, but is not limited to, iron, aluminum, steel, cement, and other manufactured products.

Applicability For purchases in support of FEMA declarations and awards issued on or after November 12, 2020, all FEMA recipients and subrecipients are required to include in all contracts and purchase orders for work or products a contract provision encouraging domestic preference for procurements.

Domestic Preference for Procurements As appropriate, and to the extent consistent with law, the contractor should, to the greatest extent practicable, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States. This includes, but is not limited to iron, aluminum, steel, cement, and other manufactured products. For purposes of this clause: Produced in the United States means, for iron and steel products, that all manufacturing processes, from the initial melting stage through the application of coatings, occurred in the United States. Manufactured products mean items and construction materials composed in whole or in part of non-ferrous metals such as aluminum; plastics and polymer-based products such as polyvinyl chloride pipe; aggregates such as concrete; glass, including optical fiber; and lumber."

13. ACCESS TO RECORDS

Docusign Envelope ID: 2F12A91A-BCDC-4A19-B206-8B3713294002

a. Standard. All recipients, subrecipients, successors, transferees, and assignees must acknowledge and agree to comply with applicable provisions governing DHS access to records, accounts, documents, information, facilities, and staff. Recipients must give DHS/FEMA access to, and the right to examine and copy, records, accounts, and other documents and sources of information related to the federal financial assistance award and permit access to facilities, personnel, and other individuals and information as may be necessary, as required by DHS regulations and other applicable laws or program guidance. See DHS Standard Terms and Conditions: Version 8.1 (2018). Additionally, Section 1225 of the Disaster Recovery Reform Act of 2018 prohibits FEMA from providing reimbursement to any state, local, tribal, or territorial government, or private non-profit for activities made pursuant to a contract that purports to prohibit audits or internal reviews by the FEMA administrator or Comptroller General.

Access to Records. The following access to records requirements apply to this contract:

i. The Contractor agrees to provide Participating Public Agency, the FEMA Administrator, the Comptroller General of the United States, or any of their authorized representatives access to any books, documents, papers, and records of the Contractor which are directly pertinent to this contract for the purposes of making audits, examinations, excerpts, and transcriptions.

ii. The Contractor agrees to permit any of the foregoing parties to reproduce by any means whatsoever or to copy excerpts and transcriptions as reasonably needed.

iii. The Contractor agrees to provide the FEMA Administrator or his authorized representatives access to construction or other work sites pertaining to the work being completed under the contract.

14. CHANGES

a. Standard. To be eligible for FEMA assistance under the non-Federal entity's FEMA grant or cooperative agreement, the cost of the change, modification, change order, or constructive change must be allowable, allocable, within the scope of its grant or cooperative agreement, and reasonable for the completion of project scope.

b. Applicability. FEMA recommends, therefore, that a non-Federal entity include a changes clause in its contract that describes how, if at all, changes can be made by either party to alter the method, price, or schedule of the work without breaching the contract. The language of the clause may differ depending on the nature of the contract and the end-item procured.

15. DHS SEAL, LOGO, AND FLAGS

16. COMPLIANCE WITH FEDERAL LAW, REGULATIONS, AND EXECUTIVE ORDERS

a. Standard. The recipient and its contractors are required to comply with all Federal laws, regulations, and executive orders.

b. Applicability. FEMA recommends that all non-Federal entities place into their contracts an acknowledgement that FEMA financial assistance will be used to fund the contract along with the requirement that the contractor will comply with all applicable Federal law, regulations, executive orders, and FEMA policies, procedures, and directives.

c. "This is an acknowledgement that FEMA financial assistance will be used to fund all or a portion of the contract. The contractor will comply with all applicable Federal law, regulations, executive orders, FEMA policies, procedures, and directives."

17. NO OBLIGATION BY FEDERAL GOVERNMENT

a. Standard. FEMA is not a party to any transaction between the recipient and its contractor. FEMA is not subject to any obligations or liable to any party for any matter relating to the contract.

b. Applicability. FEMA recommends that the non-Federal entity include a provision in its contract that states that the Federal Government is not a party to the contract and is not subject to any obligations or liabilities to the non-Federal entity, contractor, or any other party pertaining to any matter resulting from the contract.

c. "The Federal Government is not a party to this contract and is not subject to any obligations or liabilities to the non-Federal entity, contractor, or any other party pertaining to any matter resulting from the contract."

18. PROGRAM FRAUD AND FALSE OR FRAUDULENT STATEMENTS OR RELATED ACTS

a. Standard. Recipients must comply with the requirements of The False Claims Act (31 U.S.C. §§ 3729-3733) which prohibits the submission of false or

fraudulent claims for payment to the federal government. See DHS Standard Terms and Conditions: Version 8.1 (2018); and 31 U.S.C. §§ 3801-3812, which details the administrative remedies for false claims and statements made. The non-Federal entity must include a provision in its contract that the contractor acknowledges that 31 U.S.C. d. In the event FTA or DOT funding is used by a Participating Public Agency, Contractor further acknowledges U.S. DOT regulations, "Program Fraud Civil Remedies," 49 CFR Part 31, and apply to its actions pertaining to this Contract. Upon execution of the underlying Contract, Contractor certifies or affirms the truthfulness and accuracy of any statement it has made, it makes, it may make, or causes to be made, pertaining to the underlying Contract or the FTA

assisted project for which this Contract Work is being performed.

In addition to other penalties that may be applicable, Contractor further acknowledges that if it makes, or causes to be made, a false, fictitious, or fraudulent claim, statement, submission, or certification, the Federal Government reserves the right to impose the penalties of the Program Fraud Civil Remedies Act of 1986 on Contractor to the extent the Federal Government deems appropriate.

Contractor also acknowledges that if it makes, or causes to me made, a false, fictitious, or fraudulent claim, statement, submission, or certification to the Federal Government under a contract connected with a project that is financed in whole or in part with Federal assistance originally awarded by FTA under the authority of 49 U.S.C. § 5307, the Government reserves the right to impose the penalties of 18 U.S.C. § 1001 and 49 U.S.C. § 5307 (n)(1) on the Contractor, to the extent the Federal Government deems appropriate.

Contractor agrees to include the above clauses in each subcontract financed in whole or in part with Federal assistance provided by FTA. It is further agreed that the clauses shall not be modified, except to identify the subcontractor who will be subject to the provisions.

C. 271 POLITICAL CONTRIBUTION DISCLOSURE FORM

Public Agency Instructions

This page provides guidance to public agencies entering into contracts with business entities that are required to file Political Contribution Disclosure forms with the agency. **It is not intended to be provided to contractors.** What follows are instructions on the use of form local units can provide to contractors that are required to disclose political contributions pursuant to N.J.S.A. 19:44A-20.26 (P.L. 2005, c. 271, s.2). Additional information on the process is available in Local Finance Notice 2006-1 (http://www.nj.gov/dca/divisions/dlgs/resources/lfns_2006.html). Please refer back to these instructions for the appropriate links, as the Local Finance Notices include links that are no longer operational.

1. The disclosure is required for all contracts in excess of $17,500 that are **not awarded** pursuant to a "fair and open" process (N.J.S.A. 19:44A-20.7).

2. Due to the potential length of some contractor submissions, the public agency should consider allowing data to be submitted in electronic form (i.e., spreadsheet, pdf file, etc.). Submissions must be kept with the contract documents or in an appropriate computer file and be available for public access. **The form is worded to accept this alternate submission.** The text should be amended if electronic submission will not be allowed.

3. The submission must be **received from the contractor and** on file at least 10 days prior to award of the contract. Resolutions of award should reflect that the disclosure has been received and is on file.

4. The contractor must disclose contributions made to candidate and party committees covering a wide range of public agencies, including all public agencies that have elected officials in the county of the public agency, state legislative positions, and various state entities. The Division of Local Government Services recommends that contractors be provided a list of the affected agencies. This will assist contractors in determining the campaign and political committees of the officials and candidates affected by the disclosure.

   a. The Division has prepared model disclosure forms for each county. They can be downloaded from the "County PCD Forms" link on the Pay-to-Play web site at http://www.nj.gov/dca/divisions/dlgs/programs/lpcl.html#12. They will be updated from time-to-time as necessary.
   b. A public agency using these forms **should edit them to properly reflect the correct legislative district(s).** As the forms are county-based, **they list all legislative districts** in each county. **Districts that do not represent the public agency should be removed from the lists.**
   c. Some contractors may find it easier to provide a single list that covers all contributions, regardless of the county. These submissions are appropriate and should be accepted.
   d. The form may be used "as-is", subject to edits as described herein.
   e. The "Contractor Instructions" sheet is intended to be provided with the form. It is recommended that the instructions and the form be printed on the same piece of paper. The form notes that the instructions are printed on the back of the form; where that is not the case, the text should be edited accordingly.
   f. The form is a Word document and can be edited to meet local needs, and posted for download on web sites, used as an e-mail attachment, or provided as a printed document.

5. It is recommended that the contractor also complete a "Stockholder Disclosure Certification." This will assist the local unit in its obligation to ensure that contractor did not make any prohibited contributions to the committees listed on the Business Entity Disclosure Certification in the 12 months prior to the contract. (See Local Finance Notice 2006-7 for additional information on this obligation at http://www.nj.gov/dca/divisions/dlgs/resources/lfns_2006.html). A sample Certification form is part of this package and the instruction to complete it is included in the Contractor Instructions. NOTE: This section is not applicable to Boards of Education.

C. 271 POLITICAL CONTRIBUTION DISCLOSURE FORM

Contractor Instructions

Business entities (contractors) receiving contracts from a public agency that are NOT awarded pursuant to a "fair and open" process (defined at N.J.S.A. 19:44A-20.7) are subject to the provisions of P.L. 2005, c. 271, s.2 (N.J.S.A. 19:44A-20.26). This law provides that 10 days prior to the award of such a contract, the contractor shall disclose contributions to:

- any State, county, or municipal committee of a political party
- any legislative leadership committee*
- any continuing political committee (a.k.a., political action committee)
- any candidate committee of a candidate for, or holder of, an elective office:
  - of the public entity awarding the contract
  - of that county in which that public entity is located
  - of another public entity within that county
  - or of a legislative district in which that public entity is located or, when the public entity is a county, of any legislative district which includes all or part of the county

The disclosure must list reportable contributions to any of the committees that exceed $300 per election cycle that were made during the 12 months prior to award of the contract. See N.J.S.A. 19:44A-8 and 19:44A-16 for more details on reportable contributions.

N.J.S.A. 19:44A-20.26 itemizes the parties from whom contributions must be disclosed when a business entity is not a natural person. This includes the following:

- individuals with an "interest" ownership or control of more than 10% of the profits or assets of a business entity or 10% of the stock in the case of a business entity that is a corporation for profit
- all principals, partners, officers, or directors of the business entity or their spouses
- any subsidiaries directly or indirectly controlled by the business entity
- IRS Code Section 527 New Jersey based organizations, directly or indirectly controlled by the business entity and filing as continuing political committees. (PACs).

When the business entity is a natural person, "a contribution by that person's spouse or child, residing therewith, shall be deemed to be a contribution by the business entity." (N.J.S.A. 19:44A-20.26(b)) The contributor must be listed on the disclosure.

Any business entity that fails to comply with the disclosure provisions shall be subject to a fine imposed by ELEC in an amount to be determined by the Commission which may be based upon the amount that the business entity failed to report.

The enclosed list of agencies is provided to assist the contractor in identifying those public agencies whose elected official and/or candidate campaign committees are affected by the disclosure requirement. It is the contractor's responsibility to identify the specific committees to which contributions may have been made and need to be disclosed. The disclosed information may exceed the minimum requirement.

The enclosed form, a content-consistent facsimile, or an electronic data file containing the required details (along with a signed cover sheet) may be used as the contractor's submission and is disclosable to the public under the Open Public Records Act.

The contractor must also complete the attached Stockholder Disclosure Certification. This will assist the agency in meeting its obligations under the law. **NOTE: This section does not apply to Board of Education contracts.**

* N.J.S.A. 19:44A-3(s): "The term "legislative leadership committee" means a committee established, authorized to be established, or designated by the President of the Senate, the Minority Leader of the Senate, the Speaker of the General Assembly or the Minority Leader of the General Assembly pursuant to

QUALIFICATIONS AND EXPERIENCE

i. Provide a brief history of the Offeror, including year it was established and corporate office location.

Brief History

Like many great enterprises, Lakeshore started with one person taking a chance. An Omaha homemaker named Ethelyn decided to pack up her family and move to California to open a toy store back in 1954. The move was a bit unconventional for a woman in 1950s America, but then again, entrepreneurs don't typically follow the status quo. Initially, Ethelyn focused on selling toys to parents, but before long, local schools started calling her for art materials and other classroom supplies. Ethelyn listened to her customers. Sensing an untapped market, she sold the store and started Lakeshore Learning Materials.

Eventually, Ethelyn's sons, Charles and Michael, joined the business—expanding operations and turning Lakeshore into a million-dollar company within just a few years. When Ethelyn retired in 1971, Michael assumed the duties of CEO, while Charles became the Vice President in charge of merchandise and buying. Today, Michael's sons, Bo and Josh, are an integral part of the business as well—having worked their way up from summer jobs in the warehouse to President/CEO and President of Merchandising, respectively.

Two generations later, Lakeshore continues to offer the best products and service around—and we're still expanding! In addition to our growing network of over 60 retail stores, we offer two mail-order catalogs to meet the needs of parents, teachers and students worldwide. Plus, our full-service website offers instantaneous access to our catalogs as well as free activity ideas, an interactive classroom designer and much more.

iv. Describe Offeror's reputation in the marketplace.

v. Describe Offeror's reputation of products and services in the marketplace.

Lakeshore Learning Materials is one of the largest educational materials companies in the world. We've been in business over 69 years and have built our reputation by providing high quality, developmentally appropriate and relevant materials to teachers and young students. We develop and manufacture the vast majority of the items we feature in our catalogs, retail stores and website.

Lakeshore is a full-service partner who can provide classroom furniture (including our new 21st Century Flex-Space elementary furniture line), design services, delivery services, installation services, professional development services, classroom and instructional materials, and more!

Lakeshore has extensive experience working with school districts, student programs, both public and private, and all government agencies. We continually coordinate and execute large orders without much fanfare on a daily basis, but the following are examples of a few of the large orders and complete classrooms we have provided to many different agencies:

- **San Diego City Schools. Based in San Diego, California**, this sprawling district partnered with Lakeshore to modernize 151 elementary classrooms at 32 different sites. The goal was to provide teachers and students with environments that reflect best practices for 21st-century learning—while also encouraging engagement, exploration and collaboration across multiple learning domains. Lakeshore fulfilled every order and provided comprehensive setup for each location, including installation and debris removal. All 151 classrooms were completed ahead of schedule and in less than four weeks.

- **Los Angeles Unified School District**. Based in Los Angeles, California, the district's Early Childhood and Special Education Department partnered with Lakeshore's Custom Solutions division to develop and deliver more than 24,000 custom backpack kits to support its distance learning goals. Lakeshore also offered customized Professional Development for the dozens of curriculum coaches and teachers involved in the project to ensure each education professional was comfortable using the resources with fidelity.

Docusign Envelope ID: 2F12A91A-BCDC-4A19-B206-8B3713294002

- **Governor's Office of Early Childhood/Kentucky Department of Education**. Based in Frankfort, Kentucky, the governor's office reached out to Lakeshore to provide area-specific custom classroom solutions for the entire state. Lakeshore delivered and installed 2,200 programs statewide—all on schedule, and with a total value of more than $10 million. Each custom classroom solution was designed to meet the specific needs of its intended program and contained a combination of furniture, carpets and manipulatives. All 2,200 programs were delivered successfully and on time, with no drop shipments.

- **Peoria Public Schools**. Based in Peoria, Illinois, the Board of Education contracted with Lakeshore to outfit their Early Learning Center, off-campus Extension Center and Parent Lending Library with furniture and supplemental materials. The partnership continued to grow—with Lakeshore contracted to upgrade all kindergarten through 4th-grade classrooms with mobile furniture designed to engage students and allow teachers to utilize a variety of different instructional practices. By the end of 2023, Lakeshore will also have outfitted the district's dual-language programs, media centers and self-contained classrooms designed for special education.

- **Mississippi Department of Human Services.** Based in Jackson, Mississippi, the Department of Human Services reached out to Lakeshore for support with the state's summer learning programs. Specifically, we collaborated in the development of customized STEAM Project-Based Learning Kits and Hand-On Materials Kits for K-Gr. 2 and Gr. 3-5. The kits and materials were customized to meet specific program objectives and provided educators and students alike with a variety of opportunities to explore the subject matter in ways that encouraged research, discussion and creative presentations. The kits were also supported by professional development so that trainers had the background information they needed to support instruction and implement the activities in thousands of classrooms.

- **Agenda for Children**. Based in New Orleans, Louisiana, Agenda for Children selected Lakeshore as their partner to provide educational kits and teacher training to support the transformation of outdoor spaces into vibrant learning and exploration areas across multiple early childhood centers. We worked hand in hand with their leadership team to customize the materials they needed, and also supported the project with a customized, easy-to-use website that made the ordering process as seamless as possible.

- **Salinas City Elementary School District**. Based in Salinas, California, the district reached out to Lakeshore to implement the use of mobile furniture in pre-k and transitional kindergarten classrooms, as well as classrooms for students with special needs. This process involved intensive collaboration and modification to classroom design to support the use of adaptive equipment and to accommodate varying learning modalities. To support the process further, Lakeshore furnished pilot classrooms to ensure success when furniture was fully implemented across 60+ classrooms in the district.

- **Long Beach Unified School District**. Based in Long Beach, California, the district partnered with Lakeshore to modernize 265 preschool, transitional kindergarten, kindergarten, outdoor and special day classrooms using the company's proprietary mobile furniture. In addition, each preschool environment was aligned to California Preschool Learning Foundations criteria and LBUSD school readiness goals. Prior to implementation, 30 classrooms were piloted for 45 days to allow for necessary modifications and improvements. All classrooms were delivered and installed over summer break so that each setting would be ready in time for the new school year.

Brownsville Independent School District	[redacted]	In February 2022, Brownsville ISD approached Lakeshore's Custom Solutions Team with a request to furnish and revitalize their Pre-K classrooms throughout the district. To meet their needs, BISD purchased English and Spanish learning materials kits packed with tools to assist teachers in creating an effective learning environment for their young students. Additionally, they acquired age-appropriate furniture from Lakeshore's Kids Colors™ line. Due to the positive outcome of the Pre-K classroom project, Brownsville ISD again collaborated with Lakeshore's Custom Solutions Team. This time, the request was to develop material kits to support their 2022 Math Initiative. We successfully provided 858 Math Kits tailored to teachers in Kindergarten through 5th grade. These kits addressed and supported the specific requirements of BISD's Math Initiative, which included bilingual and special education programs, across 35 schools in the district. Lakeshore®

BRIEF HISTORY

Like many great enterprises, Lakeshore started with one person taking a chance. In 1954, an Omaha homemaker named Ethelyn decided to pack up her family and move to California to open a toy store. The move was a bit unconventional for a woman in 1950s America—but entrepreneurs don't typically follow the status quo. Initially, Ethelyn focused on selling toys to parents, but before long, local schools started calling her for art materials and other classroom supplies. Ethelyn listened to her customers. Sensing an untapped market, she sold the store and started Lakeshore Learning Materials.

Eventually, Ethelyn's sons, Charles and Michael, joined the business—expanding operations and turning Lakeshore into a million-dollar company within just a few years. When Ethelyn retired in 1971, Michael assumed the duties of CEO, while Charles became the Vice President in charge of merchandise and buying. Today, Michael's sons, Bo and Josh, are an integral part of the business as well—having worked their way up from summer jobs in the warehouse to CEO and Chief Product Officer, respectively.

Two generations later, Lakeshore continues to offer the best products and service around—and we're still expanding! In addition to our growing network of over 60 retail stores, we offer multiple mail-order catalogs to meet the needs of parents, teachers and students worldwide. Plus, our full-service website offers instant access to our catalogs as well as free activity ideas, classroom designs for infants through middle school and much more.

OUR APPROACH TO PRODUCT DEVELOPMENT

At Lakeshore, we develop our products based on recognized, evidence-based best practices. Designed to meet grade-level expectations and to support the achievement of key developmental milestones, Lakeshore products are created by expert educators with years of classroom experience. All products are developed with intentionality and designed to focus on and support principles and practices identified in current research; each product is evaluated for its alignment with the available research as well as for its practical functions in the classroom or other learning space.

In addition to independent laboratory testing, Lakeshore products are both teacher-tested and student-tested to ensure appropriateness, durability and safety. From development to manufacturing, we maintain strict oversight to ensure the quality of our products.

DIRECT MANUFACTURER

With Lakeshore, you're working with a single point of contact from start to finish. As the direct manufacturer of Lakeshore products, we develop a vast majority of the items featured in our catalogs, in our retail stores and on our website. We are not restricted from sales, territories or dealer authorizations. In addition, our products are backed by our ironclad guarantee: If you are unhappy with any item for any reason, return it to us for a full refund or exchange.

We maintain strict control of manufacturing specifications and processes. The fully staffed office near our overseas factories ensures top-quality, virgin raw materials are used. Plus, our in-house mechanical/process engineers regularly inspect and consult with the factories, ensuring manufacturing processes operate effectively, producing consistent, high-quality furniture pieces. In-house inspectors also conduct strict and thorough factory inspections on all orders following manufacturing—before furniture units are shipped and stocked at Lakeshore distribution centers.

QUALITY & SAFETY

Focus on Safety

At Lakeshore, students' safety is our highest priority—and we know it's the top concern of our customers. That's why we want to provide you with detailed information about Lakeshore's testing and certification process, including the rigorous steps we take to ensure our products are safe.

Not only are we in full compliance with all the current U.S. safety regulations, but we also have our own in-house Product Regulatory & Compliance Team, which tests and inspects every item we carry with even more rigorous standards than those required by law. Every item we sell must meet or exceed all government safety requirements, or we don't carry it.

First, we ensure that all the materials that go into each new product are safe. (For example, materials in all students' products must be phthalate-compliant and must also meet strict standards for lead content.) Once we confirm that the materials we're using are safe, we conduct exhaustive "use and abuse" testing to make sure each product will remain safe through years of everyday use. And after a product passes our rigorous testing, it is then tested and certified by a third-party testing laboratory. Finally, we continue to monitor the safety of our products through periodic testing, both internally and by third-party labs, to ensure that our suppliers maintain the high level of integrity we demand of our materials.

Designed by Educators

All of our exclusive products are designed by credentialed educators with years of real-world classroom experience. As subject-matter experts, they intentionally design Lakeshore products to meet content and performance standards at appropriate ages and abilities. In addition, our product developers utilize the

Docusign Envelope ID: 2F12A91A-BCDC-4A19-B206-8B3713294002

latest research to ensure products remain relevant in a continuously evolving educational environment. Finally, they are involved in every stage of product development as well as the creation of ancillary materials to support implementation.

In-House Engineering
Our product developers are supported by a dedicated team of in-house engineers who ensure the quality and integrity of our designs. They use 3-D printing technology to oversee our designs and maintain strict control over the quality and durability of each product. In addition, just as we source the highest-quality raw materials for our furniture, we only use virgin materials and composites in our manipulatives—avoiding regrind material that can compromise a product's integrity.

Transparency in Manufacturing
Once a design is finalized, we maintain close supervision over the entire manufacturing process. Our manufacturing experts—who possess degrees in mechanical engineering, chemical engineering, process engineering and other related fields—spend all of their time at our production sites. They closely monitor the manufacturing processes and the materials being used to ensure the highest-quality products for our customers. Having our own experts on hand allows us to manufacture our products without the use of third parties.

Our commitment to responsible and ethical business practices extends to everything we do—including our social and community responsibilities. Lakeshore has a strict no-tolerance policy for human rights violations, child labor or other labor law violations; we have a fully staffed Hong Kong office set up for the sole purpose of enforcing that policy and ensuring the highest health and safety standards are met by our vendors. If manufacturing issues arise, we take corrective action by providing additional training and development. Our engineers work closely with the factory's owners and engineers—reinforcing Lean and Six Sigma Manufacturing processes and overseeing the entire production process from start to finish.

CLASSROOM & SCHOOL DESIGN PLANNING

We have extensive experience partnering with site and design advisory teams on large projects. Upon award, our team can meet with advisory boards to visit classrooms, libraries, media centers or other sites to measure, develop and deliver complimentary 3-D classroom layouts. These "scaled" 3-D renderings are available at no additional cost—and feature all furniture, carpet, doors, windows, etc., to ensure appropriate sizing and functionality in each environment.

All classroom and school design services are supported by traditional furniture for preschool to kindergarten and flexible furniture options for preschool to high school settings. All Lakeshore furniture is developed in-house by educators and design engineers who ensure that all units are manufactured for ultimate strength and durability. In addition, our in-house team of mechanical/process engineers assist with the selection of raw materials, ensuring the highest quality and appropriateness for all furniture.

IMPLEMENTATION OF HOUSE BILL 1295 CERTIFICATE OF INTERESTED PARTIES (FORM 1295) (APPENDIX C, DOC #3)

Docusign Envelope ID: 2F12A91A-BCDC-4A19-B206-8B3713294002

Appendix C, DOC # 3

Implementation of House Bill 1295

Certificate of Interested Parties (Form 1295):

In 2015, the Texas Legislature adopted House Bill 1295, which added section 2252.908 of the Government Code. The law states that a governmental entity or state agency may not enter into certain contracts with a business entity unless the business entity submits a disclosure of interested parties to the governmental entity or state agency at the time the business entity submits the signed contract to the governmental entity or state agency. The law applies only to a contract of a governmental entity or state agency that either (1) requires an action or vote by the governing body of the entity or agency before the contract may be signed or (2) has a value of at least $1 million. The disclosure requirement applies to a contract entered into on or after January 1, 2016.

The Texas Ethics Commission was required to adopt rules necessary to implement that law, prescribe the disclosure of interested parties form, and post a copy of the form on the commission's website. The commission adopted the Certificate of Interested Parties form (Form 1295) on October 5, 2015. The commission also adopted new rules (Chapter 46) on November 30, 2015, to implement the law. The commission does not have any additional authority to enforce or interpret House Bill 1295.

Filing Process:

Staring on January 1, 2016, the commission made available on its website a new filing application that must be used to file Form 1295. A business entity must use the application to enter the required information on Form 1295 and print a copy of the completed form, which will include a certification of filing that will contain a unique certification number. An authorized agent of the business entity must sign the printed copy of the form. The completed Form 1295 with the certification of filing must be filed with the governmental body or state agency with which the business entity is entering into the contract.

The governmental entity or state agency must notify the commission, using the commission's filing application, of the receipt of the filed Form 1295 with the certification of filing not later than the 30th day after the date the contract binds all parties to the contract. This process is known as acknowledging the certificate. The commission will post the acknowledged Form 1295 to its website within seven business days after receiving notice from the governmental entity or state agency. The posted acknowledged form does not contain the declaration of signature information provided by the business.

A certificate will stay in the pending state until it is acknowledged by the governmental agency. Only acknowledged certificates are posted to the commission's website.

    To the extent Supplier guarantees minimum Contract Sales, the Administrative Fee shall be calculated based on the greater of the actual Contract Sales and the Guaranteed Contract Sales."

    As this will be our first time participating in this contract and there are a lot of unknowns, we would be unable to provide a minimum guarantee. Is it acceptable to submit a response with the minimum guarantee left at 0?

    Answer: If a supplier submits a contract sales guarantee and does not meet the sales number guaranteed, the supplier would be responsible for administrative fees based on the guaranteed amount. If a supplier exceeds the contract sales guarantee amount, they would be responsible for administrative fees on their total sales.

If we are already a part of contract R191903, Educational Software Solutions and Services, do we need to respond to this RFP to stay contracted with OMNIA partners? **Answer: No. RFP 23-03 is for Educational School Supplies, Instructional Solutions, and Related Products and RFP 19-19 is for Educational Software Solutions and Services. These are two different RFPs and contracts.**

29. I see that now only flash drives are required for submission. If there is no proprietary information, are the additional flash drive versions necessary? **Answer: If no proprietary information, then only 2 flash drives are required.**

Docusign Envelope ID: 2F12A91A-BCDC-4A19-B206-8B3713294002

30. Is OMNIA Partners awarding a separate contract to vendors who submit proposal responses for this RFP? **Answer: No. Region 4 ESC is the lead agency for this RFP and OMNIA Partners follows the procurement process of the lead agency.**
If so, are vendors required to submit the forms beginning on page 33, Appendix D by July 25, or are these forms submitted by the awardee(s) after award notification? **Answer: Refer to RFP 23-03 for all instructions related to responding.**

31. Page 42 3.3 I requests that we state the amount of our Public Agency sales for the previous fiscal year and provide a list of our top 10 Public Agency customers, the total purchases for each for the previous fiscal year along with a key contact for each. Is this referencing Participating Public Agencies only? **Answer: It is referencing "top 10 Public Agency customers". The Offeror will determine how to respond to the request.**

32. Page 42 L requests that we provide "Guaranteed Contract Sales." However, per the National Contract section on page 3, no minimum volume is guaranteed. If the RFP does not guarantee sales volume, how should we address this section? Are we required to provide this information? **Answer: If a supplier submits a contract sales guarantee and does not meet the sales number guaranteed, the supplier would be responsible for administrative fees based on the guaranteed amount. If a supplier exceeds the contract sales guarantee amount, they would be responsible for administrative fees on their total sales.**

33. Should questions related to Marketing be answered within the marketing plan, or on a separate document? **Answer: Refer to RFP 23-03, III. Instructions to Offeror, Page 9, Section 6, and Tab 3.**

34. On the Market Basket, Core, and Non-Core lists, there is a column to include the discount from list price. Would you like us to provide the discount in a specific format? (i.e., % or decimal) **Answer: Refer to RFP 23-03, IV. Evaluation Process and Criteria#2, Product/Pricing. The Offeror shall determine how they wish to respond.**

3. Are we required to provide annual pricing files? **Answer: No. However, all price adjustments or updates to the contract offering must be approved by Region 4 ESC. Refer to Appendix A for further details.**
4. What is the process to add/remove items from the contract as we launch new products? Answer **Refer to RFP 23-03, Appendix A, #19 and #20 for further details.**
5. How do you audit pricing or are we allowed to provide a mechanism for you to audit pricing? **Answer: Participating Public Agency shall work with individual awarded supplier to determine auditing process. Offeror shall provide a mechanism to audit contract pricing as part of their response.**
6. How frequently can we update pricing if providing a blanket discount rate? **Answer: Refer to RFP 23-03, IV. Evaluation Process and Criteria. Discount percentage should not change over the term of the contract.**
7. Vendor/OMNIA agreement/relationship - 1) 3% Admin fee on sales is noted but seeking clarity on "additional fees" for tech platform etc. as it relates to supplier obligation during contract. **Answer: The administrative fee is as stated. Any future technology or additional marketing costs will be mutually agreed upon by supplier and OMNIA Partners as opportunities arise.** 2) noted on corporate commitment section language regarding using the master agreement for future public entity awards and transitioning current clients. Can you elaborate on this? **Answer: Ideally the award contractor will utilize and send business to the awarded contract.**
8. What exhibits have to be returned? **Answer: Refer to RFP 23-03, III. Instructions to Offeror and include a response to Appendix D OMNIA Partners documents Exhibit A, Exhibit B, Exhibit F and Exhibit G.**
9. Still seeking answers to the questions I posed earlier relative to the relationship/agreement. **Answer: Region 4 ESC does not understand this statement.**

Docusign Envelope ID: 2F12A91A-BCDC-4A19-B206-8B3713294002

11. Can you post the website to submit questions? **Answer: Q&A can be reviewed under Solicitations | OMNIA Partners**

12. Overall the question is on what costs are born by the vendor to OMNIA. **Answer: The administrative fee is as stated. Any future technology or additional marketing costs will be mutually agreed upon by supplier and OMNIA Partners as opportunities arise.**

13. So the only additional fee is a 3% admin fee on each sale. Yes? **Answer: The administrative fee is as stated. Any future technology or additional marketing costs will be mutually agreed upon by supplier and OMNIA Partners as opportunities arise.**

14. Are there additional marketing costs associated with OMNIA? **Answer: Any future technology or additional marketing costs will be mutually agreed upon by supplier and OMNIA Partners as opportunities arise.**

15. The question is not on that but on the language in 2.1 that says that the supplier will transition their current clients to the master agreement and use the omnia agreement for future sales to public entities. Does this mean all new work the business seeks in the public space independent of this award then needs to go through OMNIA? **Answer: Ideally the award contractor will utilize and send business to the awarded contract.**

16. The link provided on Page 1 of the RFP takes you to a Google Forms to request more information. Where on this page would answer's be posted. **Answer: Q&A can be reviewed under Solicitations | OMNIA Partners**

RE: Price Update for R190501 & R230301

Dear Region 4 ESC,

We are submitting an updated price list as part of our annual price update. As Lakeshore issues new catalogs, prices are updated each year, with new products offered.

As the direct manufacturer of Lakeshore products, we take into consideration a variety of factors on an annual basis to determine any increases/decreases in our catalog prices.

Because we develop, manufacturer, deliver, and market our own products, our price increases are based on the increases in raw material cost, transportation, and other elements of the supply chain.

There is an average increase of less than 1%, over the total product assortment in the Lakeshore catalogs. The price increase does not reflect the full extent of increasing cost faced by Lakeshore Learning Materials.

Should there be any price decreases or other reductions to our prices, this savings will be reflected in updated pricing.

The price increases are reflected in the release of our new 2024 catalogs.

All current quotes will remain valid for a period of 90 days.

If you have any questions, please feel free to contact me at 800-421-5354, x2783 with any additional questions or concerns.

Thank you for your partnership in this matter.

Sincerely,

Tyler Domski

   The Named Insured shown in the Declarations is amended to include:
   1. Any legally incorporated subsidiary in which you own more than 50% of the voting stock on the effective date of the Coverage Form. However, the Named Insured does not include any subsidiary that is an "insured" under any other automobile policy or would be an "insured" under such a policy but for its termination or the exhaustion of its Limit of Insurance.

   B. Employees as Insureds
   Paragraph A.1. – WHO IS AN INSURED – of SECTION II – LIABILITY COVERAGE is amended to add the following:

      1. You;
      2. Any of your "employees" or agents; or
