## Leasa Quick

---

**From:** Jody Moore  
**Sent:** Thursday, January 8, 2026 2:38 PM  
**To:** Leasa Quick; Brian Leer  
**Subject:** Scrubber for Training Facility and Shooting Range

Leasa and Brian,

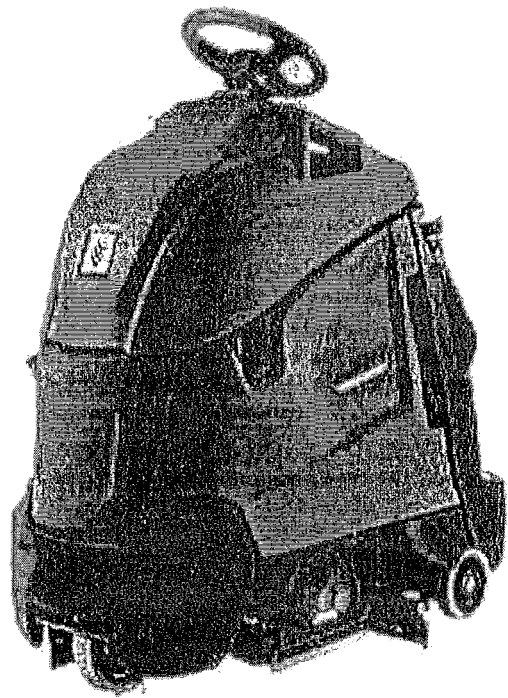

After discussion of the areas that would need to be cleaned utilizing a floor scrubber and the desire for durability of the product, I would recommend the purchase of a Karcher Chariot 2 iScrub stand on floor scrubber. A new Karcher was purchased from Q4 Industries in 2024 for the Courthouse. The purchase was made via contract PCA OD-305-20. The specific model purchased at that time was a Chariot 2 iScrub 22SP, including AGM batteries, brushes and on-board charging. At that time, the new scrubber was purchased at a cost of \$16,368. This scrubber provides ease of use, as well as allowing for expedited cleaning time. This model can scrub up to 19,700 square feet per hour.

In looking at this same piece of equipment on several sites, it would be wise to estimate an increase of about 20% in price. Online costs are now currently upwards of \$19,000. If Purchasing is able to once again obtain this piece of equipment utilizing a cooperative contract, the pricing may be slightly less than the pricing from online vendors.

Below is an online snapshot of the equipment as priced through Webstaurant.

# Scrubber with (3) 114 Ah AGM Batteries, On-Board Chai 10 Gallon, 36V, 1,500 RPM

Scrubber with (3) 114 Ah AGM Batteries, On-Board Chai

I hope this information is helpful.

### Warranties:

All standard manufacturers warranties are included. No other warranty applies unless otherwise noted above.

### Taxes:

Any applicable taxes are not included and are subject to the current rate at the time of final invoicing and are the responsibility of the customer.

### Payment Terms:

Unless otherwise noted standard payment terms are 50% due at signing of quote and acceptance of terms and conditions. An additional 45% of the total quote amount will be due when we receive the items and prior to delivery. The final 5% will be due on the day the customer takes possession of equipment described in quote. Payments greater than \$3,000 made with a credit card will be subject to a 3% upcharge.

**Returns/Exchanges:**

All returns and exchanges are subject to manufacturers restocking fee. Fees vary depending on specific manufacture policy. All fees will be explained in detail to customer before processing request.

**Freight:**

Unless specified otherwise, pricing does not include freight charges and they may need to be added. Any freight quoted is an estimate only. All standard shipments are curbside delivery only, unless otherwise specified. This means that the delivery driver will only drive the equipment to the property nearest the entrance. If you do not have a "semi-truck high" receiving dock, or own a forklift, you must request a liftgate delivery service at the time of purchase. A fee will need to be added if a liftgate is needed at the time of purchase.

**Delivery:**

Inside Delivery, including uncrating and setting in place, can be provided by Index. Pricing is done on a case by case basis and is to be determined. Index will not remove doors, windows or existing equipment to perform install unless otherwise noted in scope of work.

**Customer Responsibility:**

Customer is responsible for confirming all measurements, direction of operation, voltages and utility specifications prior to ordering. Any changes after ordering may incur a price adjustment. Please read and review this quotation carefully as it is based upon our understanding of items being requested. Please check quote for errors, omissions or inaccuracies of any kind.

**Execution:**

To accept the terms listed above and to move forward with the quotation please sign and return this entire document to your Index representative. No orders shall be placed until customers approves the quotation

#### About this item

- **KEEPS THE TOILET AREA CLEAN** - JJ Care's Urinal Mats with Urinal Screen Deodorizer duo ensures fresh smelling and clean toilet areas every time. Stinky restaurant toilet areas and bathrooms should be a thing of the past - say no more to offensive odors and finally pee in cleanliness and comfort. The urinal floor mats with a urinal screen are the perfect duo for busy restrooms and bathrooms for men.
- **SAFE URINAL PADS** - Bathrooms can be dangerous places because of the slippery tiles. Men who frequent bars and clubs are at higher risk of slipping into the toilet after a few drinks. Create a safe urinal area for your male customers with this commercial bathroom urinal that has anti-skid and nonslip TPR backing. The urinal mats are kept in place and flat on any tile floor or smooth surface.

## SUREGUARD® SAFETY RESTRAINT CHAIR

The SureGuard® Safety Restraint Chair is intended to help control combative, self destructive, or potentially violent detainees. If used properly it can reduce the risk of physical harm to both the detainee and staff. Violent behavior may mask dangerous medical conditions; therefore detainees must be monitored for and provided with medical treatment if needed. Detainees should not be left in the SureGuard® Safety Restraint Chair for more than two hours. The SureGuard® Safety Restraint Chair should never be used as a means of punishment.

### **Damascus Vector 1 Riot Control Gloves With Carbon-Tek Fiber Knuckles**

The Vector 1 Riot Control gloves by Damascus are expertly designed for high-risk operations such as civil disturbances or high-threat level situations that require superior hand protection. The gloves feature molded hard-shell Carbon-Tek fiber on the knuckles and panels to effectively deflect blows and flying debris. Adding to the protection, foam-injected padding is also included for the knuckles and wrist for superior comfort and safety. A leather shell with reinforced palms for an extra layer of protection. With double-reinforced stitching and an elasticized wrist fitted with Velcro closure, these gloves offer excellent durability and guarantee a secure and customized fit.

## **Specs**

- Molded hard-shell Carbon-Tek fiber knuckles and panels for superior protection
- Foam-injected padding for enhanced comfort and safety
- Durable leather shell with reinforced palms
- Double reinforced stitching for added durability
- Elasticized wrist with Velcro closure ensures a secure fit
- Inner lining consists of bonded breathable tricot for enhanced comfort

## About this item

- **OUTDOOR USE** —The weather-resistant cabinet construction features an aluminum frame with a smooth surface and full-length piano hinges that add strength and durability to the door frame. Drain holes on the bottom and a sealed backing mean you can mount the board outdoors.
- **PIN EVERYTHING** —It has a soft, resistant and self-healing surface, made of eco-friendly cork. Hold your pins firmly in place so you can post notes, messages, pictures, memos, calendars, and stickers without worrying about pins falling out (100 push pins included).
- **SAFE DISPLAY** —The clear and shatter-resistant windows provide plenty of visibility in high traffic or public. It's convenient to post and update notice documents under the protection of lockable doors

It was not part of the PO, this was a last-minute change to get the door access panels installed – there wasn't enough room for a third enclosure in Mech136 unfortunately.

I will have another purchase coming up, that one is not as time sensitive – I can get that quote over to you next week when my ADS rep is back from vacation.
