FY 2026 Edward Byrne Memorial Justice Assistance Grant: (O-BJA-2026-172705)

Budget Detail Worksheet and Budget Narrative:

This is a joint application on behalf of the County of Boone and the City of Columbia, Missouri. This application is submitted for the FY 2026 Edward Byrne Memorial Justice Assistance Grant Program: Local Solicitation.

Since this is a joint application, the funding will support a variety of needs in Boone County, Missouri. This funding will be split in two ways between the Boone County Sheriff's Office and the City of Columbia Police Department.

The County of Boone and the City of Columbia have an agreement pending due process that defines us as disparate jurisdictions to divide the grant funds in a 40/60-split manner. The County of Boone, specifically the Sheriff's Office, has agreed to apply for the grant on behalf of both entities. Pursuant to this agreement, the County of Boone will receive \$17,469.60 (40%) of the total \$43,674.00 local award. The City of Columbia will receive \$26,204.40 (60%).

Boone County and the City of Columbia are aware the allocation is \$43,674.00. We are aware a match is not required. The City of Columbia has estimated providing \$120.60 in funding to expand justice funds for the purchase of the equipment listed in the budget. The County of Boone has estimated providing \$2,430.40 in funding to expand justice funds for the purchase of the equipment listed in the budget.

The funds will be allocated for the following items under the category of equipment due to our local capitalization policy for classification of equipment. Costs for the equipment listed below were obtained through quotes and/or estimates.

STANDARD CONTRACT TERMS AND CONDITIONS - BOONE COUNTY, MISSOURI

1. Contractor shall comply with all applicable federal, state, and local laws and failure to do so, in County's sole discretion, shall give County the right to terminate this Contract.
2. Prices shall include all charges for packing, delivery, installation, etc., (unless otherwise specified) to the Boone County Department.
3. The Boone County Commission has the right to accept or reject any part or parts of all bids, to waive technicalities, and to accept the offer the County Commission considers the most advantageous to the County. Boone County reserves the right to award this bid on an item-by-item basis, or an "all or none" basis, whichever is in the best interest of the County. The Purchasing Director reserves the right, when only one bid has been received by the bid closing date, to delay the opening of bids to another date and time in order to revise specifications and/or establish further competition for the commodity or service required. The one (1) bid received will be retained unopened until the new Closing date, or at request of bidder, returned unopened for re-submittal at the new date and time of bid closing.
4. When products or materials of any particular producer or manufacturer are mentioned in our contracts, such products or materials are intended to be descriptive of type or quality and not restricted to those mentioned.
5. Do not include Federal Excise Tax or Sales and Use Taxes in billing, as law exempts the County from them.
6. The delivery date shall be stated in definite terms.
7. The County Commission reserves the right to cancel all or any part of orders if delivery is not made or work is not started as guaranteed. In case of delay, the Contractor must notify the Purchasing Department.
8. In case of default by the Contractor, the County of Boone will procure the articles or services from other sources and hold the Contractor responsible for any excess cost occasioned thereby.
9. Failure to deliver as guaranteed may disqualify Contractor from future bidding.
10. Prices must be as stated in units of quantity specified and must be firm.
11. The County of Boone, Missouri expressly denies responsibility for, or ownership of any item purchased until same is delivered to the County and is accepted by the County.
12. The County reserves the right to award to one or multiple respondents. The County also reserves the right to not award any item or group of items if the services can be obtained from a state or other governmental entities contract under more favorable terms. The resulting contract will be considered "Non-Exclusive". The County reserves the right to purchase advertising from other vendors.
13. The County, from time to time, uses federal grant funds for the procurement of goods and services. Accordingly, the provider of goods and/or services shall comply with federal laws, rules and regulations applicable to the funds used by the County for said procurement, and contract clauses required by the federal government in such circumstances are incorporated herein by reference. These clauses can generally be found in the Federal Transit Administration's Best Practices Procurement Manual – Appendix A. Any questions regarding the applicability of federal clauses to a particular bid should be directed to the Purchasing Department prior to bid opening.

14. In the event of a discrepancy between a unit price and an extended line item price, the unit price shall govern.
15. Should an audit of Contractor's invoices during the term of the Agreement, and any renewals thereof, indicate that the County has remitted payment on invoices that constitute an over-charging to the County above the pricing terms agreed to herein, the Contractor shall issue a refund check to the County for any over-charges within 30-days of being notified of the same.
16. Pursuant to Section 34.600 RSMo, for contracts \$100,000 and greater, Contractor/Vendor certifies it is not currently engaged in and shall not, for the duration of the contract, engage in a boycott of goods or services from the State of Israel; companies doing business in or with Israel or authorized by, licensed by, or organized under the laws of the State of Israel; or persons or entities doing business in the State of Israel.
17. **For all titled vehicles and equipment, the dealer must use the actual delivery date to the County** on all transfer documents including the Certificate of Origin (COO), Manufacturer's Statement of Origin (MSO), Bill of Sale (BOS), and Application for Title.
18. **Equipment and serial and model numbers** - The contractor is strongly encouraged to include equipment serial and model numbers for all amounts invoiced to the County. If equipment serial and model numbers are not provided on the face of the invoice, such information may be required by the County before issuing payment.
19. All equipment and supplies offered in a quote must be new, of current production, and available for marketing by the manufacturer unless the County clearly specifies that used, reconditioned, or remanufactured equipment and supplies may be offered.
20. This agreement may be extended beyond the expiration date by order of the County on a month-to-month basis in the event the County is unable to re-bid and/or award a new contract prior to the expiration date.
21. The County as a public governmental body is subject to the Missouri Sunshine Law (Chapter 610 RSMo) and will comply with requests for documents in accordance with that law.
