

Registering as a Vendor with Boone County Purchasing

The Boone County Purchasing Department utilizes an on-line bidding service hosted by IonWave. It is called "BoCoMoBids". County bid solicitations including Request for Proposals (RFP) will be issued on this website. Individuals may register to receive electronic notification of bidding opportunities. Addendums to Request for Bids/Request for Proposals are issued on this website. The County's bid solicitations are available to view without registration, but to receive electronic notification of bid opportunity, you need to register. Registration and electronic bidding are free of charge to the County's bidders. The Register, you need to provide requested information as well as select the commodity/service codes that request the types of bids/RFP notices for which you are interested in receiving notification.
