APPROVED INSTALLERS LIST

The individuals on the attached list have completed educational training regarding the State of Missouri and Boone County On-Site Wastewater Ordinance. Installers must have a certification from the State of Missouri to install on-site wastewater systems. This listing includes those certified to install conventional and/or alternative systems.

Depending on the type of system you intend to install, choose an installer with the necessary certification for the type of system you wish to install. If you wish to employ an installer not on this list, ask them to contact Resource Management at (573) 886-4339 for more information.
